

Age-Friendly DC Process/Journey

STEP #1

STUDY DC

- NYAM analyzes DC 2012 Needs Assessment, Data from Mayor's events & Community Consultations thru 12/31/13
- DC leaders discuss NYAM analyses and advise on issues & solutions 1/6-20/14

STEP #2

PLANNING

- Deliberations with Mayoral-appointed Task Force
- AF-DC by 2017 Strategic Plan approved by the AF-DC Task Force April 24, 2014
- AF-DC by 2017 Strategic Plan ready for presentation the Mayor in June 2014.

STEP #4

PROGRESS EVALUATION/CONTINUAL IMPROVEMENT

- New Strategic Plan developed in 2017
- Re-examination of Age-Friendly DC designation in 2022
- The Age-Friendly DC journey continues...

STEP #3

IMPLEMENTATION

- Roll-out of programs and initiatives by DC businesses, organizations, and DC government 2014-2017
- DC submits evidence in 2017 to World Health Organization citing Age-Friendly changes in DC, seeking designation as an Age-Friendly City by WHO
