**RE: WHO Global Network of Age-friendly Cities and Communities**

Dear Director John Beard,

Thank you for welcoming the Peterborough Region as a new member of the WHO Global Network of Age-friendly Cities and Communities. Peterborough has the distinction in Canada of having the highest percentage of seniors among the country's 33 largest urban centres. I know that as a community we have a lot to offer and a lot to learn from others as part of a global movement of communities striving to better meet the needs of their older residents.

Peterborough looks forward to building new relationships with other communities and exchanging knowledge and best practices for the benefit of our residents.

Sincerely,

Daryl Bennett  
Mayor
