Dear Dr. Beard,

On behalf of Tipperary County Council I wish to apply to the World Health Organisation for membership to your Global Network of Age-Friendly Cities and Communities.

Under the auspices of Ireland's National Age Friendly Programme, I can confirm that the Tipperary Age Friendly Programme has been working towards becoming Age Friendly for 4 years and has achieved the following objectives in order to establish our county as Age Friendly:-

- A multi-sectoral Age Friendly Alliance has been established, chaired by the Chief Officer Local Community Development Committee, comprising the most senior decision makers from the key public, private and not-for-profit agencies responsible for service provision to older people including the Local Authority, Health Service Executive, An Garda Síochána, Academia, Business Community and the Community & Voluntary sector.
- We have carried out a comprehensive, county-wide consultation process with older people to listen to the issues that really matter to them and the things they would like to see change in their county, making it a better place to grow old in. These have included round table sessions, focus groups, questionnaires, one to ones and desktop research.
- Following this extensive consultation with older people, service providers and others, we have developed our Age Friendly County Strategy (currently draft). This document contains specific commitments by agencies, service providers and older people's organisations to implement agreed changes. It reflects the priorities expressed by older people in the consultation process and the co-designed solutions that alliance members and other key stakeholders have committed to.

- With these solid foundations for the programme now in place, we have held a public launch, letting the people of County Tipperary know that we are committed to delivering on the strategy and making our County a sustainable place that will be future proofed for the increasing ageing population that we anticipate.

I trust that this application is in order and look forward to hearing from you in the near future with confirmation of our membership.

Yours sincerely,

  
**Cathaoirleach/Mayor of County Tipperary**
