Age-friendly City Yangcheon

Action Plan for Age-friendly City Yangcheon

An age-friendly Yangcheon is better for not only senior citizens but also everyone else who want to continuously reside in this neighborhood as they get older in the time of aging society~!

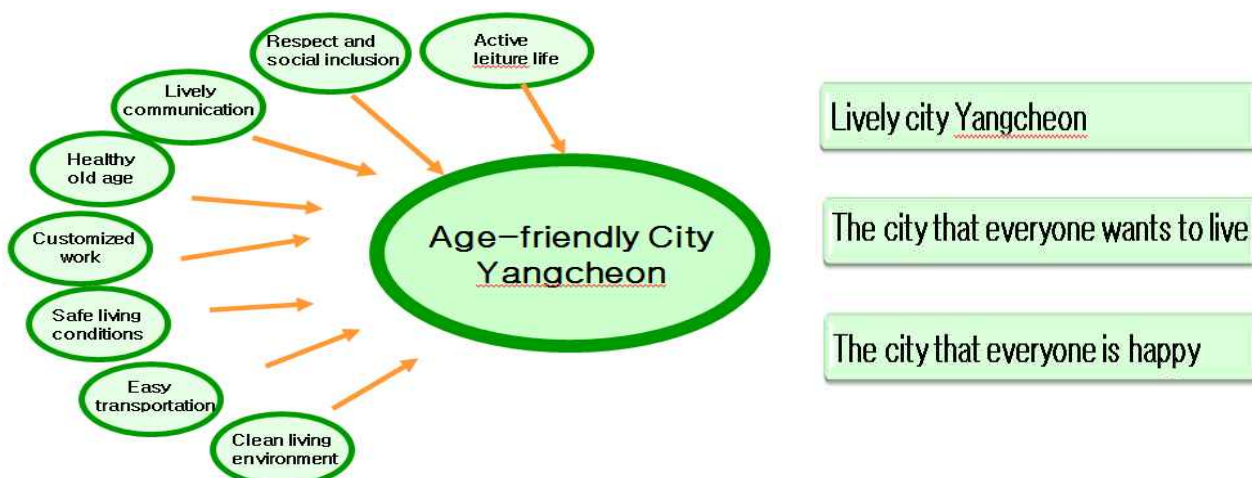

■ Grounds

- Article 1 of Welfare of the Aged & Article 4 of Framework Act on Low Birth Rate in an Aging Society
- The ordinance on age-friendly initiatives of Yangcheon-gu

■ Strategy

- Establish the optimal infrastructure for the older citizens to promote health, participation, and safety.
- Discover projects and plans in all areas to enhance life qualities of all citizens.
- Work along with the election pledge and key business plans of 7-time elected head officer.
- Adapt to the world of 100-year lifespan and be prepared for the problems we face in the ageing society by registering with WHO Global Network and sharing best practices.

■ 8 topics and visions of the Age-friendly City Yangcheon

■ Goals on Age-friendly City Yangcheon-Gu
