Dear Ms. Wu,

Please accept this letter as our formal commitment to completing the four step criteria necessary for joining the Global Network of Age Friendly Cities/Countries.

- In 2017 we completed the comprehensive process of public consultation with older people. Because of this our multi-agency executive group i.e Carlow Age Friendly Committee have developed our second Age Friendly Strategy.
- The second Age Friendly Programme/Strategy was published and launched in 2017; it covers short, medium- and long-term objectives from 2017 to 2022.
- The multi-agency Executive group is currently monitoring the implementation of the Strategy.

We look forward to hearing your positive reply to our request.
