Fred Ziegler

Age-Friendly Coordinator

C/O Kinookimaw Beach, SK

Mr. Ziegler:

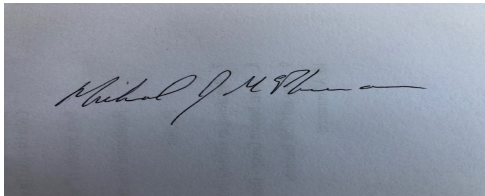

I am writing in support of your enthusiastic approach over the past years in development of an age-friendly initiative with the Town of Regina Beach and Village Buena Vista.

Your ongoing involvement is appreciated by the Community of Kinookimaw!

The Community will continue to support the Age-Friendly Initiative well into the future as our residents are approximately 75% seniors.

Again, well done!!

Yours truly,
