

Action Plan for Age-Friendly City in Nowon

1. Establishing a Private/Public Task Force team for Age-Friendly City

- To realize an Age-Friendly City in Nowon-gu, we are planning to construct a Private/Public Cooperative Task Force team. The team tries for people to pay attention to its plan in order to maintain its motivation.

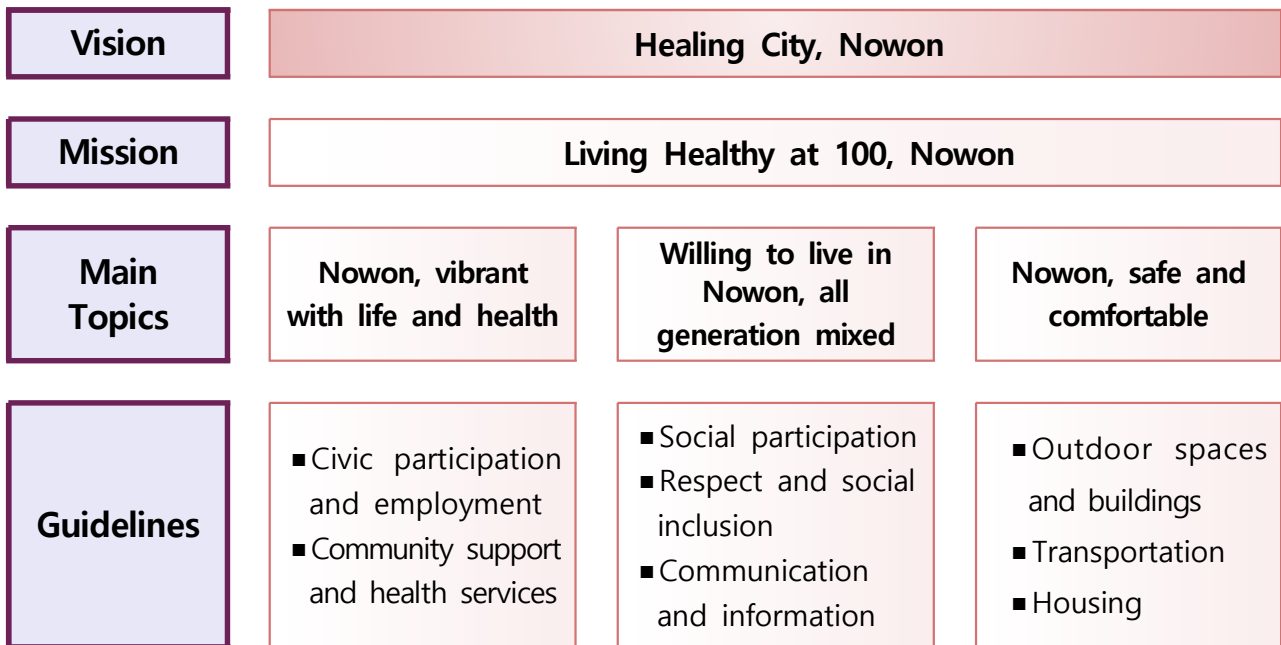

[Figure 1] Tentative Private/Public Task Force team for Age-Friendly City in Nowon

- The role of the team as follows; Reinforcing the cooperation between private and public sphere, building up an effective administration relationship with Seoul City for Age-Friendly City in Nowon.
- The team would plan administrative tasks for Age-Friendly City in Nowon. Such as holding regular meeting in every month or three months. More meetings can be held if it is needed.
- The team consists 5 divisions; Welfare, Medical, Infrastructure, Administration Support, and Private/Public Cooperation.
- The team would also encourage local society to implement their own strategy for making themselves Age-Friendly. And by reinforcing the private/public cooperation, the team would try to find ways to support it.

2. Vision and Strategie for Age-Friendly City in Nowon

- In the slogan of 'Healing City, Nowon', Nowon-gu tries to realize a vision of 'Living Healthy at 100, Nowon'.
- To achieve this vision, Nowon-gu has established three main topics named 'Nowon, vibrant with life and health', 'Willing to live in Nowon, all generation mixed', and 'Nowon, safe and comfortable'.
- Connecting with eight Age-Friendly City guidelines provided by WHO, Nowon-gu has developed 46 tasks in accordance with 3 topics and 8 guidelines. The tasks are done until 2022.
