

PLANNED PROCEDURE FOR DAILY GMN CALLS

Call the participant daily between am/pm if there is no answer call their cell if they have one. If no answer wait 30-60 minutes and repeat call/s. If contact is still not made I will call the 1st emergency contact and if unavailable contact the 2nd emergency contact. If all attempted contacts are unsuccessful the Human Services Director will then either complete a well check or contact the Police Dept. to perform a well check.
