VAFFEL & INFO

Waffle and information is an ambulating information centre for older people.

A social meeting point.

Waffle and information is welcoming and low-threshold.

Information for older people.

Outreach information work in the local community

- Contribute to accessible information
- Community and activity
- Ensure good health and promote quality of life

We cooperate with

- Trøndelag fire and rescue service
- AtB 67+ (transportation)
- The library (low-threshold computer course)
- Geriatric psychologist
- Vaccine and the infectious disease control office
- Health and welfare (better health for all)

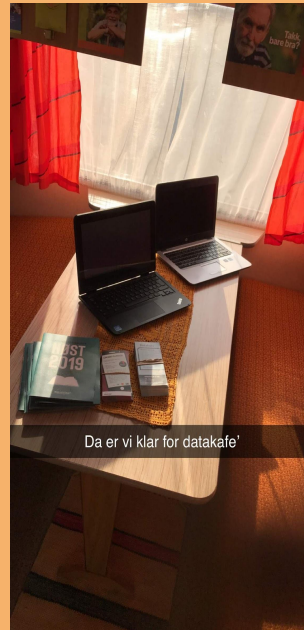

Suddenly, we become a pop-up social meeting place

It is about
interaction and
cooperation in
practice

Arena for citizen involvement

- Development of park area
- Placement of benches
- Urban regeneration
- Urban development strategy
- Community plan (leased)
