

The commitment of the Community of Žiri to the WHO Global Network of Age-friendly Cities and Communities

This is a formal commitment, signed by the mayor of the Community of Žiri, the member of the Slovenian Network of Age-friendly Cities and Communities. The community is committed to further assess its age friendliness and to develop an action plan for further improvement of age-friendly community social culture on the basis of both experience and findings. The community is also agreeing to run the national programme in collaboration with other Slovenian age-friendly cities and communities and to become a member of the WHO Global Network of Age-friendly Cities and Communities and respect all its goals and procedures.

Franc Kranjc,
the mayor of the Community of Žiri
