To whom it concerns,

RE: Letter to support the CoA application for the WHO Global Age Friendly Network - Baseload data for the Age Friendly Plan

The City of Albany undertook extensive consultation and community engagement to educate the development of its Age-Friendly Albany Plan 2023-2027, as well as the Age Friendly Charter for the Lower Great Southern 2019-2024.

For the Age-Friendly Albany Plan 2023-2027, a distillation of the base line data collected in these consultations can be found on pages 18 to 19 of the plan, where you will find details of the groups consulted, the format of the engagement, and the survey results.

For the development of the Age Friendly Charter 2019-2024, this document was developed in partnership the Western Australia Primary Health Alliance, Shire of Denmark and the Shire of Plantagenet and their respective consultations and engagement strategies of each constituent collaborative partner. A full list of references to these strategies and their related data, can be found on pages 26-27 of the charter.

In addition, there are a number of City of Albany documents that informed the Age-Friendly Albany Plan 2023-2027 and Age Friendly Charter 2019-2024, including:

- Access and Inclusion Plan 2023-2027
- Corporate Business Plan 2021-2025
- Public Health Plan 2018-2022
- Community Development Strategy 2019-2022
- Compassionate Communities Charter

Should you need further information on the data collected, or the methods of the collection of data or engagement taken, please do not hesitate to contact me.

Yours Sincerely,

Ross Evans
