Dear Sir,

**LETTER OF COMMITMENT BY PADAWAN MUNICIPAL COUNCIL, SARAWAK, MALAYSIA TO  
JOIN THE WHO GLOBAL NETWORK FOR AGE-FRIENDLY CITIES AND COMMUNITIES**

On behalf of the Padawan Municipal Council (PMC), I am pleased to express our full commitment and support for joining the World Health Organization (WHO) Global Network for Age-friendly Cities and Communities (AFCC).

This commitment reflects PMC's dedication to advancing age-friendly development within Padawan, in alignment with the principles and priorities of the WHO, particularly in areas related to health, well-being, capacity-building, and multi-sectoral partnerships.

We are confident that this collaboration will not only strengthen the partnership between PMC and the WHO, but will also contribute meaningfully towards fostering inclusive, sustainable, and resilient communities within the ASEAN region. PMC is committed to providing the necessary institutional support and resources to ensure the successful implementation of the AFCC initiative.

We look forward to formalizing this collaboration and are ready to proceed with the next steps towards achieving our shared vision of an age-friendly Padawan.

Yours sincerely,
