4. Safety and Protection	8	1,658	8. Social Activities	7	1,624

⇒ Achievement : 67 out of 69 projects met their performance targets, achieving an overall completion rate of 97%.

### 2. Development and Implementation of Gimhae-style Policies Reflecting the Needs and Participation of Older Adults

- Enactment of the Ordinance on “Creating a Culture of Respect for Senior Citizens in Gimhae City” (May 26, 2025)
  - Reframed older adults from passive welfare recipients to active “senior citizens” contributing to the community, thereby shifting the direction of Gimhae’s aging policies.
  - Conducted a policy research project led by senior citizens through the Gimhae City Council (November 18, 2025).
- Operation of the Age-friendly City Monitoring Group(45% of members aged 65 and over)
  - Held 4 regular meetings and conducted 12 annual activities.
  - Submitted 53 policy recommendations for age-friendly city development.

### 3. Creating Senior Centers as the Hub of Older Adults' Daily Lives

- Distribution of “Happy Dining Tables” : KRW 600 million, 585 senior centers
  - Provided safe and comfortable spaces for meals and leisure activities
- Establishment of 112 Smart Senior Centers
  - Provided ICT -based leisure and welfare programs.
  - Expanded health promotion through smart healthcare services.

**Distribution of Happy Dining Tables**

**Live Broadcast Program**

**Smart Healthcare Services**

### 4. Intergenerational Programs and Senior Sports

- Intergenerational Programs
  - Implemented 6 projects Supported by the Senior Welfare Fund
  - Strengthened Intergenerational communication and participation

**Intergenerational Sports Day**

**Intergenerational Concert**

**Renewal Wedding Ceremony**

- Promotion of Senior Sports Activities
  - Held senior sports competitions

## 5. Improving Accessibility and Social Participation

- Public TransProgram (K-Pass)
  - Partial fare reimbursement provided to residents aged 19 and older who use public transportation at least 15 times per month.
  - Residents aged 75 and older receive a 100% fare reimbursement without a minimum usage requirement.
  - Approximately 33% (10,602 persons) of Gimhae residents aged 75 and older enrolled in the program.
  - Exceeded the 2025 enrollment target (14,025 persons) by 288%, reaching 40,457 participants.
