WHO Global Network
for Age-friendly Cities
and Communities

This is to certify that

The Ministry of Health of Brunei Darussalam

is an Affiliate of the
World Health Organization's
Global Network for Age-friendly Cities
and Communities

2026 – 2029

Affiliates advocate for the work of the Network
and advance knowledge and action on age-friendly environments.
They inspire change, connect cities and communities,
and support members in finding solutions.
