Period of reporting:

	Month	Year
Start date	2001 (2)	2020 (21)
End date	March (3)	2020 (21)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in preva- lence data)	Average number of the most-con- sumed smoking tobacco product used per day
MALE	20.20	
FEMALE	1.20	
TOTAL (males and females)	11.20	

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	17.50	
FEMALE	0.90	
TOTAL (males and females)	9.70	

Occasional smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Former smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Never smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Cigarettes

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	25	64

Please indicate the year of the data used to answer question B11:

2008

Please indicate the source of the data used to answer question B11:

Enquete STEPS de IOMS à NDjaména; http://www.who.int/entity/fctc/reporting/Annex1_STEPS_2008_and_GYTS.pdf.

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker	Cest celui qui continue de fumer. Il est assimilé à celui qui fume tous les jours;
Daily smoker	Fumant tous les jours
Occasional smoker	Celui qui fume par moment
Former smoker	Celui qui a fumé depuis des années qui,actuellement a cessé de fumer ou continue de fumer. Cest donc une référence;
Never smoker	Celui qui,depuis son existence na jamais fumé.

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Dans l'observation

des faits une situation presque stationnaire.

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
-------------------	-----------------	--

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Please indicate the year of the data used to answer question B12:

Please indicate the source of the data used to answer question B12:

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Females

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

TOTAL (males and females)

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Please indicate the age range to which the data used to answer question B13 refer:

From To

Please indicate the year of the data used to answer question B13:

Please indicate the source of the data used to answer question B13:

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user
Daily user
Occasional user
Former user
Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
----------------------	--------------------	---

Please indicate the smokeless tobacco products included in the answer to question B14:

Please indicate the year of the data used to answer question B14:

Please indicate the source of the data used to answer question B14:

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

Ethnic group(s)	MALES - Preva- lence (%)	FEMALES - Preva- lence (%)	TOTAL (males and fe- males) - Prevalence (%)
--------------------	-----------------------------	-------------------------------	---

Please indicate the tobacco products included in the answer to question B15:

Please indicate the age range to which the data used to answer question B15 refer:

From To

Please indicate the year of the data used to answer question B15:

Please indicate the source of the data used to answer question B15:

Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

	Age range	SMOKING TO-BACCO - Prevalence (%)	SMOKELESS TO-BACCO - Prevalence (%)	WATER PIPE - Prevalence (%)
BOYS - Current users ⁴	13-15	20.90		
GIRLS - Current users ⁴	13-15	13.90		
TOTAL (boys and girls) - Current users ⁴	13-15	18.90		

Please indicate the tobacco products included in calculating prevalence for question B16:

Cest le tabac à fumer =
cigarette industrielle

Please indicate the year of the data used to answer question B16:

2008

Please indicate the source of the data used to answer question B16:

Enquete GYTS 2008, Huits régions

Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

"Actuellement fumeur" = c'est un consommateur actif du tabac tous les jours et na pas cessé de fumer.

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

Une tendance grandissante malgré les sensibilisations. La consommation du tabac chez les jeunes est considérée comme un luxe ou indice d'affirmation de soi.

Please attach the relevant documentation.

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✕

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Please indicate the year of the data used to answer question B32 and 33:

Please indicate the source of the data used to answer questions B32 and B33:

Please submit a copy of the study you refer to:

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No ✕

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
----------------	-----------------------------------	----------------------------	---------------------	----------------	----------------

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

	Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
Smoking tobacco products	2016	Cigarettes de 2 marques : BON INTERNATIONAL	4 400 000 cigarettes YES & BON INTERNATIONAL	600 cartons de marque YES ; et 500 cartons de marque BON INTERNATIONALde
Smoking tobacco products	2017	Cigarettes de marques diverses	Plus de 5 000 000 de cigarettes	1 000 cartons de marque BON INTERNATIONAL en 1 000 cartons de marque BON INTERNATIONAL en provenance du Niger;7 colis de cigarettes de marques diverses (MARLBORO, EXCEL, YES, ROTHMAN) ;3839 paquets de 20 cigarettes de marques diverses (DJ, YES, LB, ORIS, ROTHMAN, MARLBORO, EXCEL).

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

Please provide any further information on illicit tobacco products.

Le marché est envahi par les produits de contrebande

Please indicate the source of the data used to answer questions in section B6:

Please attach the relevant documentation.

Renforcement de la collaboration avec les associations et les institutions religieuses oeuvrant contre le tabagisme.

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No ✘

testing and measuring the emissions of tobacco products?

No

regulating the contents of tobacco products?

No

regulating the emissions of tobacco products?

No

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	No <input type="checkbox"/>
emissions of tobacco products?	No <input type="checkbox"/>

requiring public disclosure of information about the:

contents of tobacco products?	No
emissions of tobacco products?	No

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✔

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✔

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✔

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

ensuring that the health warnings are rotated?

Yes ✓

ensuring that the health warnings are clear, visible and legible?

Yes ✓

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

Does the Government own the copyright to these pictures and pictograms?

Yes ✓

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

No ✗

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? Yes

emissions of tobacco products? Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

- adoption de l'arrêté 039 portant conditionnement et étiquetage des produits de tabac au Tchad depuis 2015\$ - évaluation d'impact de la mise en œuvre de la première phase en 2017 et -une phase de sélection des images pour la rotation des images en cours

Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

If you answered "Yes" to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/data-form/655321?token=55yv5duxuxme46r&lang=en> (<https://extranet.who.int/data-form/655321?token=55yv5duxuxme46r&lang=en>)

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? *(Please refer to programmes implemented since submission of your two-year report.)*

Yes ✓

To whom are these programmes targeted?

- adults or the general public
 - children and young people
 - men
 - women
 - pregnant women
 - ethnic groups
 - other (please specify)
- les mototaxies, les organisations de la société civile, etc Other

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
 - gender
 - educational background
 - cultural background
 - socioeconomic status
 - other (please specify)
 - Other
-

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
- health risks of exposure to tobacco smoke?
- benefits of the cessation of tobacco use and tobacco-free lifestyles?
- adverse economic consequences of tobacco production?
- adverse economic consequences of tobacco consumption?
- adverse environmental consequences of tobacco production?
- adverse environmental consequences of tobacco consumption?

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
- nongovernmental organizations not affiliated with the tobacco industry?
- private organizations?
- other (please specify)?
Other

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
- community workers?
- social workers?
- media professionals?
- educators?
- decision-makers?
- administrators?

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	No
the health of persons in relation to the environment?	No

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	No
the health of persons in relation to the environment?	No

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

pour ,la protection de l'environnement voir Décret 1522.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

No

Do you have any civil liability measures that are specific to tobacco control?

No

Do you have any general civil liability provisions that could apply to tobacco control?

Yes

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

Yes

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

Yes

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

En matière de

responsabilité pénale en cas de violation de la loi , le chapitre VII de la loi 10 a prévu. Concernant des dispositions générales en matière de responsabilité civile qui pourraient s'appliquer à la lutte antitabac , l'article 1382 du Code civil qui dispose que « Tout fait quelconque de l'Homme qui cause un dommage à autrui, oblige celui par la faute duquel il est arrivé à le réparer. ». Ce meme article 1382 A PREVU santé et/ou le remboursement des frais médicaux, sociaux ou autres frais connexes. Pour les remboursement total ou partiel des frais médicaux, sociaux et autres frais connexes liés à la consommation de tabac sur votre territoire, L'article 25 de la Loi antitabac dispose qu'en cas de condamnation pour la violation des mentions sanitaires obligatoires, le tribunal peut prendre ut ou partie des mesures suivantes :

- L'indemnisation de tout ou partie, des frais exposés pour la prise des mesures, en son nom, découlant des frais qui ont mené à la déclaration de culpabilité ;
- Le versement d'une somme d'argent destinée à permettre les recherches sur les produits du tabac qu'il estime indiqués, après avis des experts.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

La loi a pris en compte la question de mesures en matières de responsabilité pénale et civile, y compris les indemnisations mais aucun cas de progrès na été enregistré encore au Tchad.

Please attach the relevant documentation.

Code Civile	Article	File type
