B1. TOBACCO CONSUMPTION

B1. Prevalence of tobacco use
B11. Smoking prevalence in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)
B11A[1_SQ001]. Current smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
24.6
B11A[1_SQ002]. Current smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
B11A[2_SQ001]. Current smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
29.6
B11A[2_SQ002]. Current smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
B11A[3_SQ001]. Current smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
27.1
B11A[3_SQ002]. Current smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
B11B[1_SQ001]. Daily smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
15.1
B11B[1_SQ002]. Daily smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
B11B[2_SQ001]. Daily smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
17.5

B11B[2_SQ002]. Daily smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
B11B[3_SQ001]. Daily smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
16.3
B11B[3_SQ002]. Daily smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
B11C[1_SQ001]. Occasional smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
9.5
B11C[2_SQ001]. Occasional smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
12.1
B11C[3_SQ001]. Occasional smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
10.8
B11D[1_SQ001]. Former smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
40.4
B11D[2_SQ001]. Former smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
28.7
B11D[3_SQ001]. Former smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
34.4
B11E[1_SQ001]. Never smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
34.1
B11E[2_SQ001]. Never smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
40.1
B11E[3_SQ001]. Never smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
37.2
B111. Please indicate the smoking tobacco products included in calculating prevalence for question B11:
Cigarettes, Cigars, Pipe Tobacco, e-cigarette, Other.
B112[1_SQ001]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][From]
18
B112[1_SQ002]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][To]
74
B113A. Please indicate the year of the data used to answer question B11:
2017
B113B. Please indicate the source of the data used to answer question B11:
Kapa research, 2017, June
B114[SQ001]. Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Current smoker]
Daily or Occasional Smoker
B114[SQ002]. Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Daily smoker]
Smokes daily

B114[SQ003]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Occasional smoker]
Smokes but not daily

B114[SQ004]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Former smoker]
Last smoked more than 6 months ago

B114[SQ005]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Never smoker]
Never smoked

B115. Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.
Reduction in both daily and occasional smokers observed. Smoking prevalence is higher in females. Male former smokers are more. Female never smokers are more.

B12[B12a_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
18

B12[B12a_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
34

B12[B12a_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
32

B12[B12b_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
35

B12[B12b_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
44

B12[B12b_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
27

B12[B12c_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
45

B12[B12c_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
54

B12[B12c_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
25

B12[B12d_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
55

B12[B12d_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

64

B12[B12d_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

16

B12[B12e_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

65

B12[B12e_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

74

B12[B12e_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

12

B12[B12ee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12ee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12ee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12eee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12eee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12eee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12eeee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12eeee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12eeee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12f_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
18

B12[B12f_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
34

B12[B12f_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
36

B12[B12g_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
35

B12[B12g_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
44

B12[B12g_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
32

B12[B12h_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
45

B12[B12h_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
54

B12[B12h_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
34

B12[B12i_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
55

B12[B12i_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
64

B12[B12i_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
21

B12[B12j_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

65

B12[B12j_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

74

B12[B12j_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

18

B12[B12jj_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

B12[B12jj_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

B12[B12jj_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12jjj_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

B12[B12jjj_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

B12[B12jjj_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12jjjj_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

B12[B12jjjj_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

B12[B12jjjj_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12k_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

18

B12[B12o_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
15

B12[B12oo_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

B12[B12oo_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

B12[B12oo_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12ooo_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

B12[B12ooo_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

B12[B12ooo_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12oooo_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

B12[B12oooo_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

B12[B12oooo_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B121. Please indicate the smoking tobacco products included in calculating prevalence for question B12:
Cigarettes, Cigars, Pipe Tobacco, e-cigarette, Other

B122A. Please indicate the year of the data used to answer question B12:
2017

B122B. Please indicate the source of the data used to answer question B12:
kapa research, 2017 June

B123. Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.
Reduction of both daily and occasional smokers in all age groups.

B13. Prevalence of smokeless tobacco use in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

B13A[1_B13x1]. Males [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[2_B13x1]. Males [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[3_B13x1]. Males [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[4_B13x1]. Males [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[5_B13x1]. Males [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[1_B13x1]. Females [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[2_B13x1]. Females [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[3_B13x1]. Females [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[4_B13x1]. Females [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[5_B13x1]. Females [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[1_B13x1]. TOTAL (males and females) [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[2_B13x1]. TOTAL (males and females) [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[3_B13x1]. TOTAL (males and females) [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[4_B13x1]. TOTAL (males and females) [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[5_B13x1]. TOTAL (males and females) [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B131. Please indicate the smokeless tobacco products included in calculating prevalence for question B13:
Selling smokeless tobacco products is prohibited.

B132[1_SQ001]. Please indicate the age range to which the data used to answer question B13 refer: [Age range][From]
15

B132[1_SQ002]. Please indicate the age range to which the data used to answer question B13 refer: [Age range][To]
85

B133A. Please indicate the year of the data used to answer question B13:
2014

B133B. Please indicate the source of the data used to answer question B13:
Hellenic Statistical Authority, Health Interview Survey 2014

B134[SQ001]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Current user]

B134[SQ002]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Daily user]

B134[SQ003]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Occasional user]

B134[SQ004]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Former user]

B134[SQ005]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Never user]

B135. Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.
smokeless tobacco products do not exist in Greek market.

B14[B12a_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12a_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12a_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12b_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12b_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12b_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12c_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12eee_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12eee_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12eeee_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12eeee_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12eeee_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12f_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - start age]

B14[B12f_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - end age]

B14[B12f_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12g_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - start age]

B14[B12g_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - end age]

B14[B12g_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12h_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - start age]

B14[B12jjj_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - end age]

B14[B12jjj_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12jjj_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - start age]

B14[B12jjj_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Range - end age]

B14[B12jjj_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12k_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

B14[B12k_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

B14[B12k_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12l_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

B14[B12l_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

B14[B12l_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12m_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

B14[B12000_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

B14[B12000_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B120000_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

B14[B120000_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

B14[B120000_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B141. Please indicate the smokeless tobacco products included in the answer to question B14:

Selling smokeless tobacco products is prohibited.

B142A. Please indicate the year of the data used to answer question B14:

2014

B142B. Please indicate the source of the data used to answer question B14:

Hellenic Statistical Authority, Health Interview Survey 2014

B143. Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Smokeless tobacco products do not exist in Greek market.

B161. Please indicate the tobacco products included in calculating prevalence for question B16:
Cigarettes, Cigars, Pipe Tobacco, Other

B162A. Please indicate the year of the data used to answer question B16:
2014

B162B. Please indicate the source of the data used to answer question B16:
Hellenic Statistical Authority, Health Interview Survey

B163. Please provide the definition of “current smoking/tobacco use” used to answer question B16 in the space below.
Current smoking: Daily or occasional smoking.
Smoking tobacco: Hand-rolled or cigarettes.
Smokeless tobacco: selling prohibited.
Other tobacco: Cigars, Pipe tobacco

B164. Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.
Significant reduction of young person smoking From 27.2% daily in 2009 down to 17.3% daily in 2014. A reduction overall (daily/occasional) by 33%.

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

B2. Exposure to tobacco smoke

B21. Do you have any data on exposure to tobacco smoke in your population?

Yes

B22. Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

Non Exposed to tobacco smoke:

Male: at home (72.8%), in the workplace (79.6%), in public areas (34%)

Female: at home (71.4%), in the workplace (92.3%), in public areas (54.2%)

B23A. Please indicate the year of the data used to answer question B21:

2014

B23B. Please indicate the source of the data used to answer question B21:

Hellenic Statistical Authority, Health Interview Survey

B24. Please attach the relevant documentation.

B3. Tobacco-related mortality

B31. Do you have information on tobacco-related mortality in your population?
Yes

B32. What is the estimated total number of deaths attributable to tobacco use in your population?
25400.000000000

B33. If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.
Please see the supplementary information published in the manuscript attached that notes the attributable fraction of all cancers and diseases related to tobacco use

B34A. Please indicate the year of the data used to answer question B32 and 33:
2011

B34B. Please indicate the source of the data used to answer questions B32 and B33:
Going up in ashes? Smoking-attributable morbidity, hospital admissions and expenditure in Greece. European Journal of Public Health, 2014; 1-3

B4. Tobacco-related costs

B41. Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?
Yes

B42. Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).
Smoking-attributable fraction of diseases in Greece using a prevalence-based annual cost approach. In 2011, smoking accounted for 199,028 hospital admissions (8.9% of the national total admissions), with attributable hospital treatment costs calculated at more than E554 million, which represents 10.7% of the national hospital budget.
Please see the attached article

B43A. Please indicate the year of the data used to answer question B42:
2011

B43B. Please indicate the source of the data used to answer question B42:
Hospital admission records were provided by the Hellenic Ministry of Health and Social Solidarity

B44. Please submit a copy of the study you refer to:
[{"title":"Smoking-attributable morbidity, hospital admissions and expenditure in Greece","comment":"The European Journal of Public Health","size":"82.136","name":"2014_Tsalapati_EJPH.pdf","filename":"fu_ihpffr46xxrxjzz","ext":"pdf" }]

B84. Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.
Since 1st January 2017 there has been a tax increase for cigarettes and fine cut smoking tobacco. More specifically, the ad valorem excise on cigarettes increased from 20% to 26% of retail selling price, the specific excise and the minimum excise on cigarettes remained stable. Moreover, the excise on fine cut smoking tobacco increased from 156.70% to 170e (per kgr). Moreover, since 1.6.2016 the VAT rate increased from 18.7% to 19,35% of the retail selling price.

B85. Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?
No

B86. Please provide details in the space below.

C1. GENERAL OBLIGATIONS

C1. With reference to Article 5

C111. Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

No

C112. Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

Yes

C113. Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?

N/A

C114[C114a]. Have you established or reinforced and financed: [a focal point for tobacco control?]

Yes

C114[C114b]. Have you established or reinforced and financed: [a tobacco control unit?]

No

C114[C114c]. Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]

Yes

C115. Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Between 2009-2015 there was a national steering committee for tobacco control, under the auspices of the Ministry of Health with members from academia, policy and civil science. In 2015 this committee ceased. The Chair of this committee was Prof Behrakis.

Since Feb 2016 a national coalition on tobacco control was created, in collaboration with the European Network For Smoking and Tobacco Prevention (ENSP). The Chair and main members remained the same as in the previous committee.

Internally within the Ministry of Health there are two groups related to tobacco control, one in the section for international affairs which is related to the harmonisation of Greece with EU legislative activities (implementation of FCTC and TPD) and the other is the directorate of public health responsible for internal implementation.

C116. Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.

a) A National Steering Committee for Tobacco Control was active until October 2015. The restructure and reactivation of this multi sectional Committee is still pending.

b) Another multi sectional Committee was established within the Ministry of Health in order to make a proposal on the implementation of the FCTC Protocol for illicit trade control. The final report of this Committee was not signed by the representatives of the Ministry of Finance and it was never activated although it was signed by all the other Ministries' participants.

C117. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C12. Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C121. protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

No

C122. ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

C123. Please provide details in the space below.

C124. Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

C125. Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

No

C126. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C127. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C128. Please attach the relevant documentation.

C128[filecount]. filecount - Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

C2. With reference to Articles 6-14
C21. Price and tax measures to reduce the demand for tobacco Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C211. tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?
Yes
C212. prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?
Yes
C213. prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?
Yes
C214. Please provide a brief description of the progress made in implementing Article 6 (Price and tax measures to reduce the demand for tobacco) in the past two years or since submission of your last report.
Please refer to B84 for details on progress on price and tax measures taken in the past two years.
C215. Have you utilized the "Guidelines for implementation of Article 6 of the WHO FCTC" when developing or implementing policies in this area?
No
C216. Please provide details in the space below or refer to section H of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. https://extranet.who.int/dataform/655321?token={TOKEN}&=en
C217. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
There is an (0,5 euro per pack) increase of tobacco products as a result of the negotiations between the Greek government, IMF and EU regarding the financial measures tackling the national economy crisis.
C218. Please attach the relevant documentation.
C218[filecount]. filecount - Please attach the relevant documentation.
0
C22. Protection from exposure to tobacco smoke Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C221. banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?
Yes
C222[1]. What is the type/nature of the measure providing for the ban? [national law]
Yes
C222[2]. What is the type/nature of the measure providing for the ban? [subnational law(s)]
No
C222[3]. What is the type/nature of the measure providing for the ban? [administrative and executive orders]
Yes
C222[4]. What is the type/nature of the measure providing for the ban? [voluntary agreements]
No

C222[5]. What is the type/nature of the measure providing for the ban? [other measures (please specify in C223 below)]
No

C223. Please provide a brief explanation of the type/nature and content of the measures providing for the ban.
A very comprehensive total ban law has been approved and revised with very few exceptions but it has not been enforced in many Governmental Offices and almost all hospitality venues, especially bars, restaurants and dancing clubs. Regarding transportation the law has been enforced rather effectively with very few exceptions (taxis, private vehicles).

C224. Do any of these measures provide for a mechanism/ infrastructure for enforcement?
Yes

C225. Please provide details of this system.
The main mechanism for enforcement are Public health enforcement officers who are responsible for implementing the smoking ban law. The law has been in place since 2009, but the Greek government has not enforced the smoking ban law even though 75% of Greeks have stated they are upset that it is not enforced.

C226a[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [government buildings]
Complete

C226a[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [health-care facilities]
Complete

C226a[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [universities]
Complete

C226a[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [private workplaces]
Complete

C226a[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [other (please specify below)]

C226aa. Please provide a brief explanation of any "other" policies in the space below

C226b[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [airplanes]
Complete

C226b[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [trains]
Complete

C226b[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ferries]
Complete

C226b[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ground public transport (buses, trolleybuses, trams)]
Complete

C226b[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [motor vehicles used as places of work (taxis, ambulances, delivery vehicles)]
Complete

C226b[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [private vehicles]
Complete

C226b[7]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [other (please specify below)]

C226bb. Please provide a brief explanation of any "other" policies in the space below

C226c[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [cultural facilities]
Complete

C226c[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [shopping malls]
Complete

C226c[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [pubs and bars]
Partial

C226c[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [nightclubs]
None

C226c[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [restaurants]
Partial

C226c[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [other (please specify below)]

C226cc. Please provide a brief explanation of any "other" policies in the space below

C227. Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

C227a. Banning tobacco smoking in indoor workplaces
There is a comprehensive ban but not adequately enforced.
Regarding the private sector the law is implemented to a satisfactory degree in banks, multinational companies department stores but an complete violation takes place in almost all hospitality venues like bars, clubs and restaurants

C227b. Banning tobacco smoking in public transport
There are some taxi companies offering services to smokers. the law is violated very often by taxi drivers.

C227c. Banning tobacco smoking in indoor public places
Throughout the country there are very few smoke-free cafes bars and restaurants. Malls and private workplaces sometimes are smoke free.

C228. Please provide a brief description of the progress made in implementing Article 8 (Protection from exposure to tobacco smoke) in the past two years or since submission of your last report.
No progress has been made in the past two years to implement Article 8, but recently the General Secretary of the Ministry of Health made a commitment to enforce the smoking ban law.

C229. Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?
No

C2210. Please provide details in the space below or refer to section B of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C2211. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

In spite of the the very comprehensive total ban law, the exposure of Greek citizens to passive smoking remains the most important problem of tobacco control and of FCTC implementation in our country.

C2212. Please attach the relevant documentation.

C2212[filecount]. filecount - Please attach the relevant documentation.

0

C23. Regulation of the contents of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C231. testing and measuring the contents of tobacco products?

No

C232. testing and measuring the emissions of tobacco products?

Yes

C233. regulating the contents of tobacco products?

Yes

C234. regulating the emissions of tobacco products?

Yes

C235. Please provide a brief description of the progress made in implementing Article 9 (Regulation of the contents of tobacco products) in the past two years or since submission of your last report.

Within the context of TPD article 5 implementation, we are working towards the implementation of reporting requirements of the industry to the regulatory authority. In accordance with the new European TPD, a law regulating the licensing and the contents of tobacco products is already open to public discussion and it is expected to be voted by the Parliament during the first week of September 2016.

C236. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?

Yes

C237. Please provide details in the space below or refer to section C of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

As part of the national obligations towards the EU as part of TPD article 5,6,7.

C238. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C239. Please attach the relevant documentation.

C239[filecount]. filecount - Please attach the relevant documentation.

0

C24. Regulation of tobacco product disclosures Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C241[1]. requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the: [contents of tobacco products?]

Yes

C241[2]. requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the: [emissions of tobacco products?]

Yes

C242[1]. requiring public disclosure of information about the: [contents of tobacco products?]

No

C242[2]. requiring public disclosure of information about the: [emissions of tobacco products?]
No
C243. Please provide a brief description of the progress made in implementing Article 10 (Regulation of tobacco product disclosures) in the past two years or since submission of your last report.
Implementation of TPD article 5,6,7
C244. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?
No
C245. Please provide details in the space below or refer to section C of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}<=en">https://extranet.who.int/dataform/655321?token={TOKEN}<=en

C25. Packaging and labelling of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C251. requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?
Yes
C252. requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?
Yes
C253. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?
Yes
C254. ensuring that the health warnings are approved by the competent national authority?
Yes
C255. ensuring that the health warnings are rotated?
No
C256. ensuring that the health warnings are clear, visible and legible?
Yes
C257. Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?
Yes
C258. ensuring that the health warnings occupy no less than 30% of the principal display areas?
Yes
C259. ensuring that the health warnings occupy 50% or more of the principal display areas?
No
C2510. ensuring that health warnings are in the form of, or include, pictures or pictograms?
Yes
C2511. Does the Government own the copyright to these pictures and pictograms?
No

C2512. Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

Yes

C2513[1]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [constituents of tobacco products?]

No

C2513[2]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [emissions of tobacco products?]

No

C2514. requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes

C2515. Please provide a brief description of the progress made in implementing Article 11 (Packaging and labelling of tobacco products) in the past two years or since submission of your last report.

Greece as a member of the European Union will implement the "Implementing action on the design layout and shape of combined health warnings for tobacco products for smoking.

http://eur-lex.europa.eu/legal-content/EN/TXT/?qid=1444810873600&uri=OJ:JOL_2015_267_R_0003

C26. Education, communication, training and public awareness Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C261. educational and public awareness programmes? (Please refer to programmes implemented since submission of your two-year report.)

Yes

C262[1]. To whom are these programmes targeted? [adults or the general public]

Yes

C262[2]. To whom are these programmes targeted? [children and young people]

Yes

C262[3]. To whom are these programmes targeted? [men]

Yes

C262[4]. To whom are these programmes targeted? [women]

Yes

C262[5]. To whom are these programmes targeted? [pregnant women]

Yes

C262[6]. To whom are these programmes targeted? [ethnic groups]

No

C262[7]. To whom are these programmes targeted? [other (please specify)]
No
C262[other]. To whom are these programmes targeted? [Other]
C263[1]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [age]
Yes
C263[2]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [gender]
Yes
C263[3]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [educational background]
Yes
C263[4]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [cultural background]
Yes
C263[5]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [socioeconomic status]
Yes
C263[6]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [other (please specify)]
No
C263[other]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [Other]
C264[1]. Do these educational and public awareness programmes cover: [health risks of tobacco consumption?]
Yes
C264[2]. Do these educational and public awareness programmes cover: [health risks of exposure to tobacco smoke?]
Yes
C264[3]. Do these educational and public awareness programmes cover: [benefits of the cessation of tobacco use and tobacco-free lifestyles?]
Yes
C264[4]. Do these educational and public awareness programmes cover: [adverse economic consequences of tobacco production?]
Yes
C264[5]. Do these educational and public awareness programmes cover: [adverse economic consequences of tobacco consumption?]
Yes
C264[6]. Do these educational and public awareness programmes cover: [adverse environmental consequences of tobacco production?]
No
C264[7]. Do these educational and public awareness programmes cover: [adverse environmental consequences of tobacco consumption?]
Yes
C265[1]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [public agencies?]
Yes

C265[2]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [nongovernmental organizations not affiliated with the tobacco industry?]
Yes

C265[3]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [private organizations?]
Yes

C265[4]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [other (please specify)?]
No

C265[other]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [Other]

C266. Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?
Yes

C267[1]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [health workers?]
Yes

C267[2]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [community workers?]
Yes

C267[3]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [social workers?]
Yes

C267[4]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [media professionals?]
No

C267[5]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [educators?]
Yes

C267[6]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [decision-makers?]
No

C267[7]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [administrators?]
Yes

C267[8]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [other (please specify)]
No

C267[other]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [Other]

C268. Please provide a brief description of the progress made in implementing Article 12 (Education, communication, training and public awareness) in the past two years or since submission of your last report.

A great and very effective progress was made in the field of promoting and strengthening public awareness of tobacco control issues. Three major school/ teaching interventional projects were successfully applied all over Greece:

- HEART Project: A collaborative action between Greek Ministries of Education and Health with the Hellenic Cancer Society and the Biomedical Research Foundation of Athens Academy, financed by George D. Behrakis Foundation, Boston, M.A.
- NSRF (National Strategic Reference Framework) – Greek Ministry of Health: School educational interventions on tobacco control in Athens and Thessaloniki.
- NSRF (National Strategic Reference Framework) – Greek Ministry of Health: School educational interventions on tobacco control in the rest of Greece.

C269. Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?
Yes

C2610. Please provide details in the space below or refer to section E of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C2611. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2612. Please attach the relevant documentation.

C2612[filecount]. filecount - Please attach the relevant documentation.

C27. Tobacco advertising, promotion and sponsorship Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

C271. instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?
No

C272[1]. Does your ban cover: [display and visibility of tobacco products at points of sales?]
N/A

C272[2]. Does your ban cover: [the domestic Internet?]
N/A

C272[3]. Does your ban cover: [the global Internet?]
N/A

C272[4]. Does your ban cover: [brand stretching and/or brand sharing?]
N/A

C272[5]. Does your ban cover: [product placement as a means of advertising or promotion?]
N/A

C272[6]. Does your ban cover: [the depiction of tobacco or tobacco use in entertainment media products?]
N/A

C272[7]. Does your ban cover: [tobacco sponsorship of international events or activities and/or participants therein?]
N/A

C272[8]. Does your ban cover: [contributions from tobacco companies to any other entity for "socially responsible causes" and/or any other activities implemented under the umbrella of "corporate social responsibility" by the tobacco industry?]
N/A

C272[9]. Does your ban cover: [cross-border advertising, promotion and sponsorship originating from your territory?]
N/A

C272[10]. Does your ban cover: [the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?]
N/A

C273. are you precluded by your constitution or constitutional principles from undertaking a comprehensive ban on tobacco advertising, promotion and sponsorship?
No

C274. applying restrictions on all tobacco advertising, promotion and sponsorship?
No

C275. applying restrictions on cross-border advertising, promotion and sponsorship originating from your territory with cross-border effects?
No
C276. prohibiting those forms of tobacco advertising, promotion and sponsorship that promote a tobacco product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?
No
C277. requiring that health or other appropriate warnings or messages accompany all tobacco advertising, promotion and sponsorship?
No
C278. restricting the use of direct or indirect incentives that encourage the purchase of tobacco products by the public?
No
C279. requiring the disclosure to relevant Government authorities of expenditures by the tobacco industry on advertising, promotion and sponsorship not yet prohibited?
No
C2710[1]. restricting tobacco advertising, promotion and sponsorship on: [radio?]
Yes
C2710[2]. restricting tobacco advertising, promotion and sponsorship on: [television?]
Yes
C2710[3]. restricting tobacco advertising, promotion and sponsorship on: [print media?]
Yes
C2710[4]. restricting tobacco advertising, promotion and sponsorship on: [the domestic Internet?]
Yes
C2710[5]. restricting tobacco advertising, promotion and sponsorship on: [the global Internet?]
Yes
C2710[6]. restricting tobacco advertising, promotion and sponsorship on: [other media (please specify below)?]
No
C2710[other]. restricting tobacco advertising, promotion and sponsorship on: [Other]
C2711[1]. restricting tobacco sponsorship of: [international events and activities?]
Yes
C2711[2]. restricting tobacco sponsorship of: [participants therein?]
No
C2712. cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?
No
C2713. imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?
No
C2714. Please provide a brief description of the progress made in implementing Article 13 (Tobacco advertising, promotion and sponsorship) in the past two years or since submission of your last report.
C2715. Have you utilized the "Guidelines for implementation of Article 13 of the WHO FCTC" when developing and implementing policies in this area?
Yes
C2716. Please provide details in the space below or refer to section F of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. https://extranet.who.int/dataform/655321?token={TOKEN}&=en

C2717. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2718. Please attach the relevant documentation.

C2718[filecount]. filecount - Please attach the relevant documentation.

C28. Demand reduction measures concerning tobacco dependence and cessation Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C281. developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?
Yes

C282[1]. programmes to promote cessation of tobacco use, including: [media campaigns emphasizing the importance of quitting?]
Yes

C282[2]. programmes to promote cessation of tobacco use, including: [programmes specially designed for underage girls and young women?]
Yes

C282[3]. programmes to promote cessation of tobacco use, including: [programmes specially designed for women?]
Yes

C282[4]. programmes to promote cessation of tobacco use, including: [programmes specially designed for pregnant women?]
Yes

C282[5]. programmes to promote cessation of tobacco use, including: [telephone quitlines?]
No

C282[6]. programmes to promote cessation of tobacco use, including: [local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?]
Yes

C282[7]. programmes to promote cessation of tobacco use, including: [other (please specify)?]
No

C282[other]. programmes to promote cessation of tobacco use, including: [Other]

C283[1]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [educational institutions?]
Yes

C283[2]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [health-care facilities?]
Yes

C283[3]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [workplaces?]
No

C283[4]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [sporting environments?]
No

C283[5]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [other (please specify)?]
No

C283[other]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [Other]

C284[1]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [tobacco control?]
Yes

C284[2]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [health?]
Yes

C284[3]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [education?]
Yes

C285. inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?
Yes

C286[1]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [primary health care]
Yes

C286[2]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [secondary and tertiary health care]
Yes

C286[3]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialist health-care systems (please specify below)]
Yes

C286[4]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialized centres for cessation counselling and treatment of tobacco dependence]
Yes

C286[5]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [rehabilitation centres]
No

C286[other]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [Other]

C287[1]. Are the services provided in these settings covered by public funding or reimbursement schemes? [primary health care]
Partially

C287[2]. Are the services provided in these settings covered by public funding or reimbursement schemes? [secondary and tertiary health care]
Partially

C287[3]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialist health-care systems (please specify below)]
Partially

C287[4]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialized centres for cessation counselling and treatment of tobacco dependence]
Partially

C287[5]. Are the services provided in these settings covered by public funding or reimbursement schemes? [rehabilitation centres]
Partially

C287[6]. Are the services provided in these settings covered by public funding or reimbursement schemes? [other (please specify below)]
Partially

C287b. Please provide other details in the space below.
The above and the below (C288) cover counseling but NOT pharmacotherapy. Medication is covered out of pocket.

C288[1]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [physicians]
Yes

C288[2]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [dentists]
Yes

C288[3]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [family doctors]
Yes

C288[4]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [practitioners of traditional medicine]
No

C288[5]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other medical professionals (please specify below)]
No

C288[6]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [nurses]
Yes

C288[7]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [midwives]
Yes

C288[8]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [pharmacists]
No

C288[9]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Community workers]
No

C288[10]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Social workers]
Yes

C288[11]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other (please specify)]
No

C288[other]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Other]

C289[1]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [medical?]
Yes

C289[2]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [dental?]
Yes

C289[3]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [nursing?]
Yes

C289[4]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [pharmacy?]
No

C289[other]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [Other]

C2810. facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?
No
C2811. Where and how can these products be legally purchased in your country?
C2812[1]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [nicotine replacement therapy]
N/A
C2812[2]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [bupropion]
N/A
C2812[3]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [varenicline]
N/A
C2812[4]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [other (please specify)]
N/A
C2813[1]. Are the costs of these products covered by public funding or reimbursement? [nicotine replacement therapy]
C2813[2]. Are the costs of these products covered by public funding or reimbursement? [bupropion]
C2813[3]. Are the costs of these products covered by public funding or reimbursement? [varenicline]
C2813[4]. Are the costs of these products covered by public funding or reimbursement? [other (please specify below)]
C2813b. Please provide other details in the space below.
C2814. Please provide a brief description of the progress made in implementing Article 14 (Demand reduction measures concerning tobacco dependence and cessation) in the past two years or since submission of your last report.
No progress has been made in the past two years to implement Article 14.
C2815. Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?
Yes
C2816. Please provide details in the space below or refer to section G of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. https://extranet.who.int/dataform/655321?token={TOKEN}&_en
C2817. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
The guidelines that have been developed are the European Network for Smoking and Tobacco prevention (ENSP) guidelines. Available from www.elearning-ensp.eu

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

C3. With reference to Articles 15-17

C31. Illicit trade in tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C311. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

No

C312. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes

C313. requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No

C314. developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No

C315. requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes

C316. requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No

C317. facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

Yes

C318. enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes

C319. requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes

C3110. adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

Yes

C3111. enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes

C3112. promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

No

C3113. licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes

C3114. Please provide a brief description of the progress made in implementing Article 15 (Illicit trade in tobacco products) in the past two years or since submission of your last report.

- 1) Increase in checks and in seizures of tobacco products
- 2) activities to implement the illicit trade protocol in Greece
- 3) Alignment with EU directives of track and tracing.

C3115. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Very recently, a new law on tobacco product illicit trade control is open to public discussion. However, the interference of tobacco industry in implementing track and tracing systems for illicit trade control is not excluded, contrary to the Preamble and article 4 of the Protocol.

C3116. Please attach the relevant documentation.

C3116[filecount]. filecount - Please attach the relevant documentation.

0

C32. Sales to and by minors Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C321. prohibiting the sales of tobacco products to minors?

Yes

C321a. Please specify the legal age:

18

C322. requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

Yes

C323. requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

Yes

C324. banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes

C325. prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

Yes

C326. prohibiting the sale of tobacco products from vending machines?

Yes

C327. Do you ensure that tobacco vending machines are not accessible to minors and/or do not promote the sale of tobacco products to minors?

N/A

C328[1]. prohibiting and/or promoting the prohibition of the distribution of free tobacco products: [to the public?]

Yes

C328[2]. prohibiting and/or promoting the prohibition of the distribution of free tobacco products: [to minors?]

Yes

C329. prohibiting the sale of cigarettes individually or in small packets?

Yes

C3210. providing for penalties against sellers and distributors in order to ensure compliance?

Yes

C3211. prohibiting the sales of tobacco products by minors?

Yes

C3212. Please provide a brief description of the progress made in implementing Article 16 (Sales to and by minors) in the past two years or since submission of your last report.

C3213. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Although by law the sales of tobacco products to minors are totally forbidden by law, according to our research, approximately 90% of children aging less than 18 years old have not difficulties in buying cigarettes and other tobacco products. In summary, the legislation is in place but often not enforced.

C3214. Please attach the relevant documentation.

C3214[filecount]. filecount - Please attach the relevant documentation.

0

C33. Provision of support for economically viable alternative activities Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

C331[1]. promoting economically viable and sustainable alternatives for: [tobacco growers?]

Yes

C331[2]. promoting economically viable and sustainable alternatives for: [tobacco workers?]

Not applicable

C331[3]. promoting economically viable and sustainable alternatives for: [tobacco individual sellers?]

Not applicable

C332. Please provide a brief description of the progress made in implementing Article 17 (Provision of support for economically viable alternative activities) in the past two years or since submission of your last report.

At the level of tobacco growers are programs that promote reform of cultures, environmental protection and the implementation of alternative activities. These programs relating to rural development (RDP 2007-2013) and financed by the European Agricultural Fund for Rural Development. These programs will continue during the 2014-2020 period.

C333. Have you utilized the "Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)" when developing and implementing policies in this area?

No

C334. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C335. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C336. Please attach the relevant documentation.

C336[filecount]. filecount - Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

C4. With reference to Articles 18-21

C41. Protection of the environment and the health of persons Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C411[1]. implementing measures in respect of tobacco cultivation within your territory, which take into consideration: [the protection of the environment?]

Yes

C411[2]. implementing measures in respect of tobacco cultivation within your territory, which take into consideration: [the health of persons in relation to the environment?]

Yes

C412[1]. implementing measures in respect of tobacco manufacturing within your territory, which take into consideration: [the protection of the environment?]

Yes

C412[2]. implementing measures in respect of tobacco manufacturing within your territory, which take into consideration: [the health of persons in relation to the environment?]

Yes

C413. Please provide a brief description of the progress made in implementing Article 18 (Protection of the environment and the health of persons) in the past two years or since submission of your last report.

a) Protection of the ENVIRONMENT: Reduction of water consumption, reducing gas emissions and ammonia

b) HEALTH: designs applied for the following issues:

- Availability of Material Safety Data Sheets MSDS
- Surveys noise, airborne dust processing factory
- Measures of areas and storage tanks
- Safety locks on the machines
- Meetings with marshals
- Distribution and use of personal protective equipment (PPEs)
- Signs warning and safety
- Re-entry period after CPA implementation
- Monitoring post-harvest period

C414. Have you utilized the "Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)" when developing and implementing policies in this area?

No

C415. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C416. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C417. Please attach the relevant documentation.

C417[filecount]. filecount - Please attach the relevant documentation.

0

C42. Liability Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C421[SQ001]. Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation? []

Yes

C422[SQ001]. Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)? []

No

C423[SQ001]. Do you have any civil liability measures that are specific to tobacco control? []

No

C424[SQ001]. Do you have any general civil liability provisions that could apply to tobacco control? []

Yes

C425[SQ001]. Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs? []

No

C426[SQ001]. Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use? []

No

C427[SQ001]. Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction? []

No

C428. Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (Liability) in the past two years or since submission of your last report.

A transministerial committee was established by the Ministry of Health under the chair of Prof.Behrakis. the main goal of the committee was to make a recommendation on the ratification of the FCTC Protocol for tobacco illicit trade. the committee concluded that the above ratification should take place urgently. in the final report of the committee a series of legislative, administrative and other measures necessary for the implementation of the protocol were proposed in a legally expressed format. Greek government is expected to take action for the ratification of the protocol soon.

C429. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C4210. Please attach the relevant documentation.

C4210[filecount]. filecount - Please attach the relevant documentation.

0

C43. Research, surveillance and exchange of information Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C431[1]. developing and/or promoting research that addresses: [determinants of tobacco consumption?]

Yes

C431[2]. developing and/or promoting research that addresses: [consequences of tobacco consumption?]

Yes

C431[3]. developing and/or promoting research that addresses: [social and economic indicators related to tobacco consumption?]

No

C431[4]. developing and/or promoting research that addresses: [tobacco use among women, with special regard to pregnant women?]

Yes

C431[5]. developing and/or promoting research that addresses: [the determinants and consequences of exposure to tobacco smoke?]

Yes

C431[6]. developing and/or promoting research that addresses: [identification of effective programmes for the treatment of tobacco dependence?]

Yes

C431[7]. developing and/or promoting research that addresses: [identification of alternative livelihoods?]

No

C431[other]. developing and/or promoting research that addresses: [Other]

C432. training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

No

C433[1]. a national system for epidemiological surveillance of: [patterns of tobacco consumption?]

Yes

C433[2]. a national system for epidemiological surveillance of: [determinants of tobacco consumption?]

No

C433[3]. a national system for epidemiological surveillance of: [consequences of tobacco consumption?]
No
C433[4]. a national system for epidemiological surveillance of: [social, economic and health indicators related to tobacco consumption?]
No
C433[5]. a national system for epidemiological surveillance of: [exposure to tobacco smoke?]
Yes
C433[other]. a national system for epidemiological surveillance of: [Other]
