Web page

Period of reporting:

	Month	Year
Start date	June (6)	2018 (19)
End date	April (4)	2020 (21)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	17.0	
FEMALE	1.0	

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day

Occasional smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Former smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Never smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	15	49

Please indicate the year of the data used to answer question B11:

2014

Please indicate the source of the data used to answer question B11:

Cinquième enquête à indicateurs multiples (MICS - 5)

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker

Daily smoker

Occasional smoker

Former smoker

Never smoker

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Prévalence de la consommation de tout autre produit du tabac: Homme 26,0% Femmes 3,0%.

Prévalence de la consommation de cigarettes et autres produits du tabac au cours du mois précédant l'enquête: Homme 2,0% Femmes 0,0%.

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
----------------------	--------------------	---

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Il ny a pas d'étude dans le pays avec des données désagrégées comme demandé.

Please indicate the year of the data used to answer question B12:

Please indicate the source of the data used to answer question B12:

Pas des données

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18-64 years; see B132)

Males

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Females

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

TOTAL (males and females)

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Please indicate the age range to which the data used to answer question B13 refer:

From To

Please indicate the year of the data used to answer question B13:

Please indicate the source of the data used to answer question B13:

Pas des données

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user
Daily user
Occasional user
Former user
Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
-------------------	-----------------	--

Please indicate the smokeless tobacco products included in the answer to question B14:

Please indicate the year of the data used to answer question B14:

Please indicate the source of the data used to answer question B14:

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Pas des données

Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

Ethnic group(s)	MALES - Prevalence (%)	FEMALES - Prevalence (%)	TOTAL (males and females) - Prevalence (%)
-----------------	------------------------	--------------------------	--

Please indicate the tobacco products included in the answer to question B15:

Pas des données

Please indicate the age range to which the data used to answer question B15 refer:

From To

Please indicate the year of the data used to answer question B15:

Please indicate the source of the data used to answer question B15:

Pas des données

Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

	Age range	SMOKING TOBACCO - Prevalence (%)	SMOKELESS TOBACCO - Prevalence (%)	WATER PIPE - Prevalence (%)
BOYS - Current users ⁴	13 - 15	7.7		
GIRLS - Current users ⁴	13 - 15	3.0		
TOTAL (boys and girls) - Current users ⁴	13 - 15	5.4		

Please indicate the tobacco products included in calculating prevalence for question B16:

Cigarettes et autres produits du tabac

Please indicate the year of the data used to answer question B16:

2008

Please indicate the source of the data used to answer question B16:

Guinee Bissau(Bissau), Global Youth Tobacco Survey(GYTS) Fact Sheet(ages 13 - 15)

Please provide the definition of “current smoking/tobacco use” used to answer question B16 in the space below.

Standard definitions of GYTS

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

No other study has been conducted since this GYTS.

Please attach the relevant documentation.

Use of novel and emerging tobacco and nicotine products

Age range	Heated tobacco products (HTPs) - Prevalence (%)	Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%)	Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%)	Other products - Prevalence (%)
-----------	---	--	---	---------------------------------

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

31% are living in the households where people smoke
35.3% are exposed to tobacco outside their homes

Please indicate the year of the data used to answer question B21:

2008

Please indicate the source of the data used to answer question B21:

Guinea Bissau(Bissau), Global Youth Tobacco Survey(ages 13 - 15)

Please attach the relevant documentation.

**enquete au
environnement
scolaire**

No comment

File type "pdf"

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✘

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Pas des données

Please indicate the year of the data used to answer question B32 and 33:

2008

Please indicate the source of the data used to answer questions B32 and B33:

Guinee Bissau(Bissau), Global Youth Tobacco Survey(ages 13 - 15)

Please submit a copy of the study you refer to:

GYTS_2008

GUINEE-BISSAU

File type "pdf"

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No ✘

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
---------	----------------------------	---------------------	--------------	---------	---------

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

La situation actuelle dans le pays, heureusement, il ny a pas de production de tabac à grande échelle. Seule la plus petite partie des agriculteurs produit du tabac local traditionnel appelé «Tcharu» qui est vendu dans les foires populaires, mais qui est peu consommé par rapport au tabac importé produit dans dautres pays. Le pays nexporte aucun type de tabac.

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
------	---------	----------------------------	-----------------

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

Please provide any further information on illicit tobacco products.

Dans le chapitre sur les saisies de produits illicites, il y a eu quelques saisies de produits du tabac passés en contrebande par les autorités douanières, mais il existe des données officielles produites et publiées sur le sujet. Malheureusement, aucun système de traçabilité des produits du tabac nest encore en place dans le pays.

Please indicate the source of the data used to answer questions in section B6:

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

No

Please indicate the year of the data used to answer questions in section B7:

Please indicate the source of the data used to answer questions in section B7:

We do not grow tobacco in the country.

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only

Ad valorem tax only

Combination of specific and ad valorem taxes

More complex structure (please explain below)

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

Product	Type of tax	Rate or amount	Base of tax⁵
----------------	--------------------	-----------------------	--------------------------------

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Données disponibles seulement à partir de l'année 2017. Avant que les taxes ne soient exacerbées, il est maintenant prévisible de les réduire progressivement; en particulier LIQ_PCS.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No

Please indicate the year of the data used to answer questions B81 to B86:

Please indicate the source of the data used to answer questions B81 to B86:

Please attach the relevant documentation.

File type "xls"

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Bruson	20	0,98	USD
Smoking tobacco products	Ronson	20	0,998	USD
Smoking tobacco products	Sir	10	0,43	USD

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Brusson	20	0,83	USD
Smoking tobacco products	Ronson	20	0,83	USD
Smoking tobacco products	Sir	10	0,50	USD

Please indicate the year of the data used to answer question B91:

2019

Please indicate the source of the data used to answer question B91:

Inquiry for consumption of goods and services

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

No changes observed.

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

No ✘

Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

No ✘

Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?

No ✘

Have you established or reinforced and financed:

a focal point for tobacco control? Yes

a tobacco control unit? No

a national coordinating mechanism for tobacco control? No

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

We are waiting for the decree that authorizes the creation of the coordination mechanism for tobacco control.

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Aucun progrès réalisé en raison de l'absence de ratification de la Convention-cadre de l'OMS pour la lutte antitabac.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Pas d'information

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

No

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Pas d'information

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Pas d'information

Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

No

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

No

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

No

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Pas des données

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

No ✘

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

There is a bill in preparation but not yet approved. Some staff voluntarily do not smoke the public places.

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

airplanes

trains

ferries

ground public transport (buses, trolleybuses, trams)

motor vehicles used as places of work (taxis, ambulances, delivery vehicles)

private vehicles

other (please specify below)

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

- cultural facilities
 - shopping malls
 - pubs and bars
 - nightclubs
 - restaurants
 - other (please specify below)
-

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Banning tobacco smoking in public transport

Banning tobacco smoking in indoor public places

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No

testing and measuring the emissions of tobacco products?

No

regulating the contents of tobacco products?

No

regulating the emissions of tobacco products?

No

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring public disclosure of information about the:

contents of tobacco products?	No
emissions of tobacco products?	No

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

No ✘

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

No ✘

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

No

ensuring that the health warnings are approved by the competent national authority?

No

ensuring that the health warnings are rotated?

No

ensuring that the health warnings are clear, visible and legible?

No

ensuring that the health warnings occupy no less than 30% of the principal display areas?

No

ensuring that the health warnings occupy 50% or more of the principal display areas?

No

ensuring that health warnings are in the form of, or include, pictures or pictograms?

No

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? No

emissions of tobacco products? No

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

No

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? *(Please refer to programmes implemented since submission of your two-year report.)*

No ✘

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
 - nongovernmental organizations not affiliated with the tobacco industry?
 - private organizations?
 - other (please specify)?
 - Other
-

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
 - community workers?
 - social workers?
 - media professionals?
 - educators?
 - decision-makers?
 - administrators?
 - other (please specify)
 - Other
-

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 12 of the WHO FCTC” when developing and implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

No

are you precluded by your constitution or constitutional principles from undertaking a comprehensive ban on tobacco advertising, promotion and sponsorship?

No

applying restrictions on all tobacco advertising, promotion and sponsorship?

No

applying restrictions on cross-border advertising, promotion and sponsorship originating from your territory with cross-border effects?

No

prohibiting those forms of tobacco advertising, promotion and sponsorship that promote a tobacco product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

No

requiring that health or other appropriate warnings or messages accompany all tobacco advertising, promotion and sponsorship?

No ✘

restricting the use of direct or indirect incentives that encourage the purchase of tobacco products by the public?

Yes ✔

requiring the disclosure to relevant Government authorities of expenditures by the tobacco industry on advertising, promotion and sponsorship not yet prohibited?

No ✘

restricting tobacco advertising, promotion and sponsorship on:

radio?

television?

print media?

the domestic Internet?

the global Internet?

other media (please specify below)?

Other

restricting tobacco sponsorship of:

international events and activities?

participants therein?

cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

No ✘

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

No ✘

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 13 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

No

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
 - programmes specially designed for underage girls and young women?
 - programmes specially designed for women?
 - programmes specially designed for pregnant women?
 - telephone quitlines?
 - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
 - other (please specify)?
 - Other
-

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
 - health-care facilities?
 - workplaces?
 - sporting environments?
 - other (please specify)?
 - Other
-

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
 - health?
 - education?
-

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

No ✘

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
 - dental?
 - nursing?
 - pharmacy?
 - Other
-

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

No ✘

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

With reference to Articles 15–17

Illicit trade in tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

No

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

No

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

No

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

No

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

No

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

No

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

No

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

No

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

No

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

No

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

No

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

No

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

No

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

No

Please attach the relevant documentation.

Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

tobacco growers?	No
tobacco workers?	No
tobacco individual sellers?	No

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

With reference to Articles 18–21

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	No
the health of persons in relation to the environment?	No

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	No
the health of persons in relation to the environment?	No

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

No

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

No

Do you have any civil liability measures that are specific to tobacco control?

No

Do you have any general civil liability provisions that could apply to tobacco control?

No

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

No

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social and economic indicators related to tobacco consumption?
 - tobacco use among women, with special regard to pregnant women?
 - the determinants and consequences of exposure to tobacco smoke?
 - identification of effective programmes for the treatment of tobacco dependence?
 - identification of alternative livelihoods?
 - Other
-

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

No ✕

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
 - determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social, economic and health indicators related to tobacco consumption?
 - exposure to tobacco smoke?
 - Other
-

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
 - information on the practices of the tobacco industry?
 - information on the cultivation of tobacco?
-

an updated database of:

- laws and regulations on tobacco control?
 - information about the enforcement of laws on tobacco control?
 - pertinent jurisprudence?
-

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	No
Assistance received	No

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	No

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided	No
Assistance received	No

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	No

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received No

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received No

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

No

E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

Réalisation d'une étude OMS Stepwise de première génération; approbation du projet de loi; protection du public contre la fumée de tabac; et ratification du protocole sur le tabac illicite et assistance technique pour aider le pays à mettre en œuvre ces activités.

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

No

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

Faible implication des décideurs, instabilité politique et gouvernementale, manque de fonds pour la mise en œuvre des activités et manque d'assistance technique.

Do you have any of the following products available on your national tobacco market?

smokeless tobacco products
water pipe tobacco
Electronic Nicotine Delivery Systems (ENDS)
Electronic Non-Nicotine Delivery Systems (ENNDS)
heated tobacco products (HTPs)
Other

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

smokeless tobacco products
water pipe tobacco
Electronic Nicotine Delivery Systems (ENDS)
Electronic Non-Nicotine Delivery Systems (ENNDS)
heated tobacco products (HTPs)
Other

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

Ces produits ne sont pas utilisés par la majorité de la population. Seulement un nombre insignifiant surtout, les étrangers utilisent certains de ces produits

Please provide any other relevant information not covered elsewhere that you consider important.

Nous avons la nécessité pour le pays d'être soutenu techniquement et financièrement afin de poursuivre les activités de lutte antitabac dans le pays.
