REVOLUÇÃO DOS BALDINHOS É EXEMPLO PARA O PLANO NACIONAL DE RESÍDUOS SÓLIDOS

Estamos no ano-fimite para a eliminação dos "baldinhos" no Brasil - esta é uma dentre muitas medidas do Plano Nacional de Resíduos Sólidos, que vem gradativamente sendo implementado no país desde 2011. As medidas focam sustentabilidade e aumento da reciclagem. Para os resíduos orgânicos, que correspondem a 50% em peso do lixo doméstico, a compostagem é [...]
