## B1. TOBACCO CONSUMPTION

B1. Prevalence of tobacco use
B11. Smoking prevalence in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)
B11A[1_SQ001]. Current smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
18.2
B11A[1_SQ002]. Current smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
B11A[2_SQ001]. Current smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
15.0
B11A[2_SQ002]. Current smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
B11A[3_SQ001]. Current smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
16.6
B11A[3_SQ002]. Current smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
B11B[1_SQ001]. Daily smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
16.1
B11B[1_SQ002]. Daily smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
B11B[2_SQ001]. Daily smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
13.9
B11B[2_SQ002]. Daily smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
B11B[3_SQ001]. Daily smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
15.0
B11B[3_SQ002]. Daily smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]

B11C[1\_SQ001]. Occasional smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11C[2\_SQ001]. Occasional smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11C[3\_SQ001]. Occasional smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11D[1\_SQ001]. Former smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
27.7

B11D[2\_SQ001]. Former smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
23.5

B11D[3\_SQ001]. Former smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
25.5

B11E[1\_SQ001]. Never smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11E[2\_SQ001]. Never smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11E[3\_SQ001]. Never smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B111. Please indicate the smoking tobacco products included in calculating prevalence for question B11:  
All tobacco products - but in the case of New Zealand this largely means manufactured cigarettes and roll-your own cigarettes. Cigar and pipe tobacco constitute less than 1% of total tobacco consumption. Use of chewing tobacco, snus, and water pipes is negligible at present..

B112[1\_SQ001]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][From]  
15

B112[1\_SQ002]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][To]  
100

B113A. Please indicate the year of the data used to answer question B11:  
2015

B113B. Please indicate the source of the data used to answer question B11:  
Annual Update of Key Results 2014/15: New Zealand Health Survey

B114[SQ001]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Current smoker]  
Current smokers are those who have smoked more than 100 cigarettes in their lifetime and currently smoke at least once a month.

B114[SQ002]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Daily smoker]  
Daily smokers are those who have smoked more than 100 cigarettes in their lifetime and currently smoke at least once a day.

B114[SQ003]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Occasional smoker]

B114[SQ004]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Former smoker]  
Former smokers are those who have smoked more than 100 cigarettes in their lifetime and have now stopped for more than one month.

B114[SQ005]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Never smoker]

B115. Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.  
Smoking prevalence has declined in the past 2 years. For example daily smoking declined 15.6% in 2012/13 to 15.0% in 2014/14. Current smoking declined from 17.7% to 16.6% over the same period.

B12[B12a\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
15

B12[B12a\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
17

B12[B12a\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
7

B12[B12b\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
15

B12[B12b\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
24

B12[B12b\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
21

B12[B12c\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
25

B12[B12c\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
34

B12[B12c\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
26

B12[B12d\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
35

B12[B12d\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
44

B12[B12d\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
20

B12[B12e\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
45

B12[B12e\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
54

B12[B12e\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
20

B12[B12ee\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
55

B12[B12ee\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
64

B12[B12ee\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
15

B12[B12eee\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
65

B12[B12eee\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]  
74

B12[B12eee\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
9

B12[B12eeee\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]  
75

B12[B12eeee\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12eeee\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]  
3

B12[B12f\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

15

B12[B12f\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

17

B12[B12f\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

5

B12[B12g\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

15

B12[B12g\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

24

B12[B12g\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

16

B12[B12h\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

25

B12[B12h\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

34

B12[B12h\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

20

B12[B12i\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

35

B12[B12i\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

44

B12[B12i\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

16

B12[B12j\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

45

B12[B12j\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

54

B12[B12j\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

19

B12[B12jj\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

55

B12[B12jj\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

64

B12[B12jj\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

15

B12[B12jjj\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

65

B12[B12jjj\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

74

B12[B12jjj\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

8

B12[B12jjjj\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]

75

B12[B12jjjj\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]

B12[B12jjjj\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

3

B12[B12k\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

15

B12[B12k\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

17

B12[B12oo\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

55

B12[B12oo\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

64

B12[B12oo\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

15

B12[B12ooo\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

65

B12[B12ooo\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

74

B12[B12ooo\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

9

B12[B12oooo\_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

75

B12[B12oooo\_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

B12[B12oooo\_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

3

B121. Please indicate the smoking tobacco products included in calculating prevalence for question B12:

All tobacco products - but in the case of New Zealand this means manufactured cigarettes and roll-your own cigarettes. Cigar and pipe tobacco constitute less than 1% of total tobacco sales. Smokeless tobacco use is negligible.

B122A. Please indicate the year of the data used to answer question B12:

2015

B122B. Please indicate the source of the data used to answer question B12:

Annual Update of Key Results 2014/15: New Zealand Health Survey.

B123. Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Both daily and current smoking prevalence declined in all age groups between 2012/13 and 2014/15 except for the 65-74 age group - the increases were not statistically significant.

B13. Prevalence of smokeless tobacco use in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18-64 years; see B132)

B13A[1\_B13x1]. Males [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[2\_B13x1]. Males [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[3\_B13x1]. Males [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[4\_B13x1]. Males [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[5\_B13x1]. Males [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[1\_B13x1]. Females [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[2\_B13x1]. Females [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[3\_B13x1]. Females [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[4\_B13x1]. Females [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13B[5\_B13x1]. Females [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[1\_B13x1]. TOTAL (males and females) [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[2\_B13x1]. TOTAL (males and females) [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[3\_B13x1]. TOTAL (males and females) [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[4\_B13x1]. TOTAL (males and females) [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13C[5\_B13x1]. TOTAL (males and females) [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B131. Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

B132[1\_SQ001]. Please indicate the age range to which the data used to answer question B13 refer: [Age range][From]

B132[1\_SQ002]. Please indicate the age range to which the data used to answer question B13 refer: [Age range][To]

B133B. Please indicate the source of the data used to answer question B13:

B134[SQ001]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Current user]

B134[SQ002]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Daily user]

B134[SQ003]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Occasional user]

B134[SQ004]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Former user]

B134[SQ005]. Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below. [Never user]

B135. Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

B14[B12a\_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12a\_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12a\_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12b\_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12b\_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12b\_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B12c\_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

B14[B12c\_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

B14[B12c\_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B14[B120000\_B12x1]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

B14[B120000\_B12x3]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

B14[B120000\_B12x2]. Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B141. Please indicate the smokeless tobacco products included in the answer to question B14:

The supply and sale of oral tobacco products is prohibited in New Zealand - under section 29 of the Smoke-free Environments Act 1990. Very small amounts of oral tobacco are imported for personal use but it is illegal to distribute or sell these products.

B142B. Please indicate the source of the data used to answer question B14:

B143. Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

B161. Please indicate the tobacco products included in calculating prevalence for question B16:

All tobacco products - but in the case of New Zealand this largely means manufactured cigarettes and roll-your own cigarettes. Cigar and pipe is less than 1% of total tobacco consumption (much less for young people). Chewing tobacco, snus, waterpipes, use is negligible.

B162A. Please indicate the year of the data used to answer question B16:

2015

B162B. Please indicate the source of the data used to answer question B16:

Annual Update of Key Results 2014/15: New Zealand Health Survey - B165 -  
<http://www.health.govt.nz/system/files/documents/publications/annual-update-key-results-2014-15-nzhs-dec15-1.pdf>

B163. Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

Current smokers are those who have smoked more than 100 cigarettes in their lifetime and currently smoke at least once a month.

B164. Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

Smoking prevalence among young people has declined over the past 2 years (since 2012/13), particularly among the 15-17 age group.

B165. Please attach the relevant documentation.

B11new[SQ004\_SQ001]. Male [Former smokers][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11new[SQ004\_SQ002]. Male [Former smokers][Average number of the most-consumed smoking tobacco product used per day]

B11new[SQ005\_SQ001]. Male [Never smokers][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B11new[SQ005\_SQ002]. Male [Never smokers][Average number of the most-consumed smoking tobacco product used per day]

## B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

B2. Exposure to tobacco smoke

B21. Do you have any data on exposure to tobacco smoke in your population?

Yes

B22. Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

At home (and in private cars) - by gender, age group, ethnic group and socioeconomic group.

Smoking in indoor workplaces and on public transport is prohibited.

B23A. Please indicate the year of the data used to answer question B21:

2013

B23B. Please indicate the source of the data used to answer question B21:

Tobacco Use 2012/13: New Zealand Health Survey - in the data tables

B24. Please attach the relevant documentation.

```
[{"title":"","comment":"","size":"1054.985","name":"tobacco-use-2012-13-new-zealand-health-survey-dec14-v2.pdf","filename":"fu_z3mhnv7qafapc9a","ext":"pdf" }]
```

B24[filecount]. filecount - Please attach the relevant documentation.

1

B3. Tobacco-related mortality

B31. Do you have information on tobacco-related mortality in your population?

Yes

B32. What is the estimated total number of deaths attributable to tobacco use in your population?  
4395.0000000000

B33. If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.  
This is the average number of tobacco - related deaths / year 2005-2009. The breakdown 2005-2009 is as follows:  
CVD (938 deaths), COPD (1126 deaths) Lung cancer (1264 deaths), Upper aerodigestive cancer (176 deaths) Other cancer (351) Other medical (540)

B34A. Please indicate the year of the data used to answer question B32 and 33:  
2009

B34B. Please indicate the source of the data used to answer questions B32 and B33:  
Calculated by the NZ Ministry of Health's Health and Disability Intelligence Unit in 2012 - principally the Peto methodology (WHO 1998). Further info can be provided.

B35. Please submit a copy of the study you refer to:

B35[filecount]. filecount - Please submit a copy of the study you refer to:  
0

B4. Tobacco-related costs

B41. Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?  
Yes

B42. Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).  
Several estimates have been made and the results vary significantly according to the methodology used.

B43A. Please indicate the year of the data used to answer question B42:  
2005

B43B. Please indicate the source of the data used to answer question B42:  
Report on Tobacco Taxation in New Zealand, O'Dea, Thomson et al, November 2007

B44. Please submit a copy of the study you refer to:

B62. Do you have any information on the percentage of illicit tobacco products on the national tobacco market?  
Yes

B63. What percentage of the national tobacco market do illicit tobacco products constitute? (%)

B64. What is the trend over the past two years or since submission of your last report in the percentage of illicit tobacco products in relation to the national tobacco market?

B65. Please provide any further information on illicit tobacco products.  
The report cited below estimates that illicit trade in New Zealand was between 1.8% and 3.9% of total tobacco sales - slightly higher than a 2010 estimate.

B66. Please indicate the source of the data used to answer questions in section B6:  
Update of Illicit Trade in Tobacco Products in New Zealand 2013 by U Veng Ian (Esther), Ali Ajmal

B67. Please attach the relevant documentation.

B84. Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.
The tax on tobacco products has increased over the past two years. To protect the tax rate against inflation the tobacco excise is indexed against the Consumer Price Index (CPI), the adjustment being made on 1 January each year. In addition, the excise on tobacco products has increased by 10 percent every year 2010 - 2016 (on 28 April 2010 and 1 January every year since).
The tobacco tax increased by 11.09% on all tobacco products (10% legislated plus 1.09% CPI adjustment on 1 January 2015 and on all tobacco products (10% legislated plus 0.3 % CPI adjustment on 1 January 2016
B85. Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?
No
B86. Please provide details in the space below.
B87A. Please indicate the year of the data used to answer questions B81 to B86:
2016
B87B. Please indicate the source of the data used to answer questions B81 to B86:
Order in Council made under the Customs and Excise Act

## C1. GENERAL OBLIGATIONS

C1. With reference to Article 5

C111. Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes

C112. Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

N/A

C113. Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?

N/A

C114[C114a]. Have you established or reinforced and financed: [a focal point for tobacco control?]

Yes

C114[C114b]. Have you established or reinforced and financed: [a tobacco control unit?]

Yes

C114[C114c]. Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]

Yes

C115. Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

The NZ Ministry of Health is the focal point for tobacco control

C116. Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.

The NZ Government has adopted the goal of "reducing smoking prevalence and tobacco availability to minimal levels by 2025. The 2015-2019 Statement of Intent sets targets of 10% daily smoking prevalence in 2018 and halving the Maori and Pacific smoking prevalence from their 2011/12 levels in 2018.

Tax excise rates have increased on 1 January 2015 and 1 January 2016 as outlined above.

Projects conducted under the Pathway to Smokefree New Zealand 2025 Innovation Fund (\$5 million / year) have been conducted and are being evaluated.

A Bill to introduce standardised ("plain") packaging is before Parliament.

Under the Government Health Target "Better Health for smokers to quit" over 95% of smokers admitted to hospital are provided with smoking cessation advice, as are over 90% of smokers who receive primary health care and 90% of pregnant women who smoke when receiving maternity care.

Health promotion campaigns are run by the Health Promotion Agency and the Quitline - both government funded.

C117. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C12. Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C121. protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes

C122. ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

C123. Please provide details in the space below.

The Ministry of Health maintains a publicly available register of meetings it has with the tobacco industry. It provides dates of meetings, who attended and the topics discussed. Such meetings have become increasingly rare. See: <http://www.health.govt.nz/our-work/preventative-health-wellness/tobacco-control/who-framework-convention-tobacco-control/meetings-tobacco-industry-representatives>

C124. Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

No changes since the last report.

C125. Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

Yes

C126. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&en>

C127. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C128. Please attach the relevant documentation.

C128[filecount]. filecount - Please attach the relevant documentation.

## C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

C2. With reference to Articles 6-14

C21. Price and tax measures to reduce the demand for tobacco Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C211. tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes

C212. prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes

C213. prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes

C214. Please provide a brief description of the progress made in implementing Article 6 (Price and tax measures to reduce the demand for tobacco) in the past two years or since submission of your last report.

Tobacco tax increases of 10% plus the Consumer Price Index component have continued in 2015 and 2016

From 1 November 2014 the duty-free allowance fell from 200 cigarettes to 50 cigarettes. In addition, and also from 1 November 2014, tobacco was removed from the gift concession that currently allows gifts sent from overseas to be free of duty and GST when they arrive in New Zealand, providing they exceed no more than \$110 in total value. This meant that all gifts of tobacco products sent to New Zealand are now subject to excise duty and GST.

C215. Have you utilized the "Guidelines for implementation of Article 6 of the WHO FCTC" when developing or implementing policies in this area?

No

C216. Please provide details in the space below or refer to section H of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C217. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C218. Please attach the relevant documentation.

C218[filecount]. filecount - Please attach the relevant documentation.

0

C22. Protection from exposure to tobacco smoke Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C221. banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes

C222[1]. What is the type/nature of the measure providing for the ban? [national law]

Yes

C222[2]. What is the type/nature of the measure providing for the ban? [subnational law(s)]

Yes

C222[3]. What is the type/nature of the measure providing for the ban? [administrative and executive orders]

No

C222[4]. What is the type/nature of the measure providing for the ban? [voluntary agreements]

No

C222[5]. What is the type/nature of the measure providing for the ban? [other measures (please specify in C223 below)]

No

C223. Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

The principal (national) legislation banning smoking in indoor workplaces, public transport, etc. is the Smoke-free Environments Act 1990. In addition, many local authorities ban smoking in particular areas - parks, sports grounds, playgrounds and some extend this to specified streets or parts of the city.

C224. Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes

C225. Please provide details of this system.

C226a[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [government buildings]

Complete

C226a[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [health-care facilities]  
Partial

C226a[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [educational facilities6]  
Complete

C226a[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [universities]  
Complete

C226a[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [private workplaces]  
Complete

C226a[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [other (please specify below)]

C226aa. Please provide a brief explanation of any "other" policies in the space below

C226b[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [airplanes]  
Complete

C226b[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [trains]  
Complete

C226b[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ferries]  
Complete

C226b[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ground public transport (buses, trolleybuses, trams)]  
Complete

C226b[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [motor vehicles used as places of work (taxis, ambulances, delivery vehicles)]  
Complete

C226b[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [private vehicles]  
None

C226b[7]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [other (please specify below)]

C226bb. Please provide a brief explanation of any "other" policies in the space below

C226c[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [cultural facilities]  
Complete

C226c[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [shopping malls]  
Complete

C226c[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [pubs and bars]  
Complete

C226c[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [nightclubs]  
Complete

C226c[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [restaurants]  
Complete

C226c[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [other (please specify below)]

C226cc. Please provide a brief explanation of any "other" policies in the space below

C227. Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

C227a. Banning tobacco smoking in indoor workplaces  
The Smoke-free Environments Act 1990 requires all indoor workplaces to be smoke-free. There is a partial exemption for hospital care (mental health institutions) and for rest homes where residents may be permitted to smoke in a dedicated smoking room which must be mechanically ventilated and from which the escape of smoke is minimised (see section 6 of the Smoke-free Environments Act 1990). Prisons have been smoke-free since 2011.

C227b. Banning tobacco smoking in public transport  
The Smoke-free Environments Act 1990 prohibits smoking in passenger vehicles such as buses, taxis, aircraft, trains ferries, etc.

C227c. Banning tobacco smoking in indoor public places  
The Smoke-free Environments Act 1990 prohibits smoking in indoor public places, though not in areas that are not substantially enclosed, such as bus shelters. School buildings and grounds are smoke-free 24 hours a day 7 days a week.

C228. Please provide a brief description of the progress made in implementing Article 8 (Protection from exposure to tobacco smoke) in the past two years or since submission of your last report.  
No national legislation changes. Local authorities continue to strengthen the protection from tobacco smoke in their jurisdictions

C229. Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?  
No

C2210. Please provide details in the space below or refer to section B of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C2211. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.  
The current legislation preceded the development of the Guidelines.

C2212. Please attach the relevant documentation.  
[]

C2212[filecount]. filecount - Please attach the relevant documentation.  
0

C23. Regulation of the contents of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C231. testing and measuring the contents of tobacco products?  
Yes

C232. testing and measuring the emissions of tobacco products?  
Yes

C233. regulating the contents of tobacco products?  
No

C234. regulating the emissions of tobacco products?  
No

C235. Please provide a brief description of the progress made in implementing Article 9 (Regulation of the contents of tobacco products) in the past two years or since submission of your last report.  
No changes since the 2014 report.

C236. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?  
No

C237. Please provide details in the space below or refer to section C of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C238. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.  
The current legislation preceded the development of the Guidelines

C239. Please attach the relevant documentation.

C239[filecount]. filecount - Please attach the relevant documentation.  
0

C24. Regulation of tobacco product disclosures Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C241[1]. requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the: [contents of tobacco products?]  
Yes

C241[2]. requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the: [emissions of tobacco products?]  
Yes

C242[1]. requiring public disclosure of information about the: [contents of tobacco products?]  
Yes

C242[2]. requiring public disclosure of information about the: [emissions of tobacco products?]  
Yes

C243. Please provide a brief description of the progress made in implementing Article 10 (Regulation of tobacco product disclosures) in the past two years or since submission of your last report.  
No change since the 2014 report

C244. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?  
N/A

C245. Please provide details in the space below or refer to section C of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C246. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.  
Section 35 of the Smoke-free Environments Act 1990 requires tobacco product manufacturers and importers to provide an annual report that includes information on additives to tobacco products and the emission levels for tar, nicotine and CO for cigarettes. There is a requirement for the returns to be placed on a Ministry of Health website – see <http://www.health.govt.nz/our-work/preventative-health-wellness/tobacco-control/tobacco-returns/tobacco-returns-2014> . The link for 2014 includes an analysis of the tobacco returns.

C247. Please attach the relevant documentation.

C247[filecount]. filecount - Please attach the relevant documentation.

C25. Packaging and labelling of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C251. requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes

C252. requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes

C253. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes

C254. ensuring that the health warnings are approved by the competent national authority?

Yes

C255. ensuring that the health warnings are rotated?

Yes

C256. ensuring that the health warnings are clear, visible and legible?

Yes

C257. Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes

C258. ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes

C259. ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes

C2510. ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes

C2511. Does the Government own the copyright to these pictures and pictograms?

No

C2512. Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

No

C2513[1]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [constituents of tobacco products?]

No

C2513[2]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [emissions of tobacco products?]

No

C2514. requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes

C2515. Please provide a brief description of the progress made in implementing Article 11 (Packaging and labelling of tobacco products) in the past two years or since submission of your last report.

A Bill introducing standardised (plain) packaging, which was with Parliament's Health Select Committee two years ago, has been reported back to the House and is awaiting its second reading.

C2516. Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

Yes

C2517. Please provide details in the space below or refer to section D of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en">https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en</a>

C26. Education, communication, training and public awareness Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C261. educational and public awareness programmes? (Please refer to programmes implemented since submission of your two-year report.)
Yes
C262[1]. To whom are these programmes targeted? [adults or the general public]
Yes
C262[2]. To whom are these programmes targeted? [children and young people]
Yes
C262[3]. To whom are these programmes targeted? [men]
Yes
C262[4]. To whom are these programmes targeted? [women]
Yes
C262[5]. To whom are these programmes targeted? [pregnant women]
Yes
C262[6]. To whom are these programmes targeted? [ethnic groups]
Yes
C262[7]. To whom are these programmes targeted? [other (please specify)]
No
C262[other]. To whom are these programmes targeted? [Other]
C263[1]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [age]
Yes
C263[2]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [gender]
Yes
C263[3]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [educational background]
Yes
C263[4]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [cultural background]
Yes
C263[5]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [socioeconomic status]
Yes

C263[6]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [other (please specify)]  
No

C263[other]. Do you reflect the following key differences among targeted population groups in educational and public awareness programmes? [Other]

C264[1]. Do these educational and public awareness programmes cover: [health risks of tobacco consumption?]  
Yes

C264[2]. Do these educational and public awareness programmes cover: [health risks of exposure to tobacco smoke?]  
Yes

C264[3]. Do these educational and public awareness programmes cover: [benefits of the cessation of tobacco use and tobacco-free lifestyles?]  
Yes

C264[4]. Do these educational and public awareness programmes cover: [adverse economic consequences of tobacco production?]  
No

C264[5]. Do these educational and public awareness programmes cover: [adverse economic consequences of tobacco consumption?]  
Yes

C264[6]. Do these educational and public awareness programmes cover: [adverse environmental consequences of tobacco production?]  
No

C264[7]. Do these educational and public awareness programmes cover: [adverse environmental consequences of tobacco consumption?]  
Yes

C265[1]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [public agencies?]  
Yes

C265[2]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [nongovernmental organizations not affiliated with the tobacco industry?]  
Yes

C265[3]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [private organizations?]  
Yes

C265[4]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [other (please specify)?]  
No

C265[other]. awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control: [Other]

C266. Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?  
Yes

C267[1]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [health workers?]  
Yes

C267[2]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [community workers?]  
Yes

C267[3]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [social workers?]  
Yes

C267[4]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [media professionals?]  
Yes

C267[5]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [educators?]  
Yes

C267[6]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [decision-makers?]  
Yes

C267[7]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [administrators?]  
Yes

C267[8]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [other (please specify)]  
No

C267[other]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [Other]

C268. Please provide a brief description of the progress made in implementing Article 12 (Education, communication, training and public awareness) in the past two years or since submission of your last report.  
New Zealand has continued to run public awareness / education campaigns on the dangers of smoking and of exposure to second-hand smoke campaigns promoting smoking cessation and advising of the smoking cessation services available, and campaigns directed at young people.

C269. Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?  
Yes

C2610. Please provide details in the space below or refer to section E of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C2611. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2612. Please attach the relevant documentation.

C2612[filecount]. filecount - Please attach the relevant documentation.

C27. Tobacco advertising, promotion and sponsorship Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

C271. instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?  
Yes

C272[1]. Does your ban cover: [display and visibility of tobacco products at points of sales?]  
Yes

C272[2]. Does your ban cover: [the domestic Internet?]  
Yes

C272[3]. Does your ban cover: [the global Internet?]  
No

C272[4]. Does your ban cover: [brand stretching and/or brand sharing?]	Yes
C272[5]. Does your ban cover: [product placement as a means of advertising or promotion?]	Yes
C272[6]. Does your ban cover: [the depiction of tobacco or tobacco use in entertainment media products?]	No
C272[7]. Does your ban cover: [tobacco sponsorship of international events or activities and/or participants therein?]	Yes
C272[8]. Does your ban cover: [contributions from tobacco companies to any other entity for "socially responsible causes" and/or any other activities implemented under the umbrella of "corporate social responsibility" by the tobacco industry?]	No
C272[9]. Does your ban cover: [cross-border advertising, promotion and sponsorship originating from your territory?]	Yes
C272[10]. Does your ban cover: [the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?]	Yes
C273. are you precluded by your constitution or constitutional principles from undertaking a comprehensive ban on tobacco advertising, promotion and sponsorship?	N/A
C274. applying restrictions on all tobacco advertising, promotion and sponsorship?	N/A
C275. applying restrictions on cross-border advertising, promotion and sponsorship originating from your territory with cross-border effects?	N/A
C276. prohibiting those forms of tobacco advertising, promotion and sponsorship that promote a tobacco product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?	N/A
C277. requiring that health or other appropriate warnings or messages accompany all tobacco advertising, promotion and sponsorship?	N/A
C278. restricting the use of direct or indirect incentives that encourage the purchase of tobacco products by the public?	N/A
C279. requiring the disclosure to relevant Government authorities of expenditures by the tobacco industry on advertising, promotion and sponsorship not yet prohibited?	N/A
C2710[1]. restricting tobacco advertising, promotion and sponsorship on: [radio?]	N/A
C2710[2]. restricting tobacco advertising, promotion and sponsorship on: [television?]	N/A
C2710[3]. restricting tobacco advertising, promotion and sponsorship on: [print media?]	N/A
C2710[4]. restricting tobacco advertising, promotion and sponsorship on: [the domestic Internet?]	N/A
C2710[5]. restricting tobacco advertising, promotion and sponsorship on: [the global Internet?]	N/A

C2710[6]. restricting tobacco advertising, promotion and sponsorship on: [other media (please specify below )?]
N/A
C2711[1]. restricting tobacco sponsorship of: [international events and activities?]
N/A
C2711[2]. restricting tobacco sponsorship of: [participants therein?]
N/A
C2712. cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?
No
C2713. imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?
No
C2714. Please provide a brief description of the progress made in implementing Article 13 (Tobacco advertising, promotion and sponsorship) in the past two years or since submission of your last report.
No legislative changes since 2014. As noted above, Parliament is considering a Bill to provide for standardised or "plain" packaging.
C2715. Have you utilized the "Guidelines for implementation of Article 13 of the WHO FCTC" when developing and implementing policies in this area?
Yes
C2716. Please provide details in the space below or refer to section F of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en">https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en</a>
C2717. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
C2718. Please attach the relevant documentation.
C2718[filecount]. filecount - Please attach the relevant documentation.
0
C28. Demand reduction measures concerning tobacco dependence and cessation Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C281. developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?
Yes
C282[1]. programmes to promote cessation of tobacco use, including: [media campaigns emphasizing the importance of quitting?]
Yes
C282[2]. programmes to promote cessation of tobacco use, including: [programmes specially designed for underage girls and young women?]
Yes
C282[3]. programmes to promote cessation of tobacco use, including: [programmes specially designed for women?]
Yes
C282[4]. programmes to promote cessation of tobacco use, including: [programmes specially designed for pregnant women?]
Yes
C282[5]. programmes to promote cessation of tobacco use, including: [telephone quitlines?]
Yes

C282[6]. programmes to promote cessation of tobacco use, including: [local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?]
Yes
C282[7]. programmes to promote cessation of tobacco use, including: [other (please specify)?]
No
C282[other]. programmes to promote cessation of tobacco use, including: [Other]
C283[1]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [educational institutions?]
Yes
C283[2]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [health-care facilities?]
Yes
C283[3]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [workplaces?]
Yes
C283[4]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [sporting environments?]
Yes
C283[5]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [other (please specify)?]
No
C283[other]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [Other]
C284[1]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [tobacco control?]
Yes
C284[2]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [health?]
Yes
C284[3]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [education?]
No
C285. inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?
Yes
C286[1]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [primary health care]
Yes
C286[2]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [secondary and tertiary health care]
Yes
C286[3]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialist health-care systems (please specify below)]
Yes
C286[4]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialized centres for cessation counselling and treatment of tobacco dependence]
Yes

C286[5]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [rehabilitation centres]  
Yes

C286[other]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [Other]

C287[1]. Are the services provided in these settings covered by public funding or reimbursement schemes? [primary health care]  
Partially

C287[2]. Are the services provided in these settings covered by public funding or reimbursement schemes? [secondary and tertiary health care]  
Fully

C287[3]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialist health-care systems (please specify below)]  
Partially

C287[4]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialized centres for cessation counselling and treatment of tobacco dependence]  
Fully

C287[5]. Are the services provided in these settings covered by public funding or reimbursement schemes? [rehabilitation centres]  
Fully

C287[6]. Are the services provided in these settings covered by public funding or reimbursement schemes? [other (please specify below)]

C287b. Please provide other details in the space below.

C288[1]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [physicians]  
Yes

C288[2]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [dentists]  
Yes

C288[3]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [family doctors]  
Yes

C288[4]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [practitioners of traditional medicine]  
No

C288[5]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other medical professionals (please specify below)]  
No

C288[6]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [nurses]  
Yes

C288[7]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [midwives]  
Yes

C288[8]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [pharmacists]  
Yes

C288[9]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Community workers]
Yes
C288[10]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Social workers]
Yes
C288[11]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other (please specify)]
No
C288[other]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Other]
C289[1]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [medical?]
Yes
C289[2]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [dental?]
Yes
C289[3]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [nursing?]
Yes
C289[4]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [pharmacy?]
Yes
C289[other]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [Other]
C2810. facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?
Yes
C2811. Where and how can these products be legally purchased in your country?
NRT products - patches, gum etc. are available free of charge through the government funded Quitline, Aukati kaipaipa and other approved providers, as well as through a prescription from a medical practitioner. NRT products are also available over the counter. The other products listed - bupropion, varenicline and nortripline, are only available through a prescription from a medical practitioner. Although the products themselves are free of charge, there is a \$5 prescription co-payment.
C2812[1]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [nicotine replacement therapy]
Yes
C2812[2]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [bupropion]
Yes
C2812[3]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [varenicline]
Yes
C2812[4]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [other (please specify)]
No
C2812[other]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [Other]
nortripline
C2813[1]. Are the costs of these products covered by public funding or reimbursement? [nicotine replacement therapy]
Fully

C2813[2]. Are the costs of these products covered by public funding or reimbursement? [bupropion]  
Fully

C2813[3]. Are the costs of these products covered by public funding or reimbursement? [varenicline]  
Fully

C2813[4]. Are the costs of these products covered by public funding or reimbursement? [other (please specify below)]  
Fully

C2813b. Please provide other details in the space below.  
Nortripline is also fully subsidised.

C2814. Please provide a brief description of the progress made in implementing Article 14 (Demand reduction measures concerning tobacco dependence and cessation) in the past two years or since submission of your last report.  
New Zealand publishes smoking cessation guidelines which set out the 'ABC' approach for all health care professionals - Ask, Brief advice, Cessation support. One of the Government's six priority health targets is 'better help for smokers to quit'. The current target is  
•90% of PHO enrolled patients who smoke have been offered help to quit smoking by a health care practitioner in the last 15 months.  
•95% of hospital patients who smoke and are seen by a health practitioner in a public hospital are offered brief advice and support to quit smoking.  
•90% of pregnant women who identify as smokers upon registration with a DHB-employed midwife or Lead Maternity Carer are offered brief advice and support to quit smoking  
  
The smoking cessation services funded by the government are currently in the process of being realigned to better support the Government's goal of an essentially smokefree New Zealand by 2025

C2815. Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?  
Yes

C2816. Please provide details in the space below or refer to section G of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C2817. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2818. Please attach the relevant documentation.

C2818[filecount]. filecount - Please attach the relevant documentation.

### C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

C3. With reference to Articles 15-17

C31. Illicit trade in tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C311. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?  
No

C312. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?  
No

C313. requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?  
Yes

C314. developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?  
No

C315. requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?  
Yes

C316. requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?  
No

C317. facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?  
Yes

C318. enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?  
Yes

C319. requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?  
Yes

C3110. adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?  
Yes

C3111. enabling the confiscation of proceeds derived from illicit trade in tobacco products?  
Yes

C3112. promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?  
Yes

C3113. licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?  
Yes

C3114. Please provide a brief description of the progress made in implementing Article 15 (Illicit trade in tobacco products) in the past two years or since submission of your last report.  
New Zealand participated in the INB negotiation of the FCTC Protocol on Illicit Trade and is considering accession to the agreement.

C3115. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C3116. Please attach the relevant documentation.

C3116[filecount]. filecount - Please attach the relevant documentation.  
0

C32. Sales to and by minors Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C321. prohibiting the sales of tobacco products to minors?  
Yes

C321a. Please specify the legal age:
18
C322. requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?
N/A
C323. requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?
Yes
C324. banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?
Yes
C325. prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?
Yes
C326. prohibiting the sale of tobacco products from vending machines?
No
C327. Do you ensure that tobacco vending machines are not accessible to minors and/or do not promote the sale of tobacco products to minors?
Yes
C328[1]. prohibiting and/or promoting the prohibition of the distribution of free tobacco products: [to the public?]
Yes
C328[2]. prohibiting and/or promoting the prohibition of the distribution of free tobacco products: [to minors?]
Yes
C329. prohibiting the sale of cigarettes individually or in small packets?
Yes
C3210. providing for penalties against sellers and distributors in order to ensure compliance?
Yes
C3211. prohibiting the sales of tobacco products by minors?
Yes
C3212. Please provide a brief description of the progress made in implementing Article 16 (Sales to and by minors) in the past two years or since submission of your last report.
No changes since legislative changes in July 2012 which provided for increased fines and for infringement notices for several offences including sales to minors.
Tobacco vending machines are only located in places to which minors do not have access, principally clubs.
C3213. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
C3214. Please attach the relevant documentation.
C3214[filecount]. filecount - Please attach the relevant documentation.
0
C33. Provision of support for economically viable alternative activities Have you adopted and implemented, where appropriate, measures or programmes on any of the following:
C331[1]. promoting economically viable and sustainable alternatives for: [tobacco growers?]
Not applicable
C331[2]. promoting economically viable and sustainable alternatives for: [tobacco workers?]
Not applicable

C331[3]. promoting economically viable and sustainable alternatives for: [tobacco individual sellers?]
No
C332. Please provide a brief description of the progress made in implementing Article 17 (Provision of support for economically viable alternative activities) in the past two years or since submission of your last report.
Not applicable.
C333. Have you utilized the "Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)" when developing and implementing policies in this area?
N/A
C334. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en">https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en</a>
C335. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
C336. Please attach the relevant documentation.
C336[filecount]. filecount - Please attach the relevant documentation.

## C4. OTHER MEASURES AND POLICIES

C4. With reference to Articles 18–21
C41. Protection of the environment and the health of persons Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C411[1]. implementing measures in respect of tobacco cultivation within your territory, which take into consideration: [the protection of the environment?]
Not applicable
C411[2]. implementing measures in respect of tobacco cultivation within your territory, which take into consideration: [the health of persons in relation to the environment?]
Not applicable
C412[1]. implementing measures in respect of tobacco manufacturing within your territory, which take into consideration: [the protection of the environment?]
Not applicable
C412[2]. implementing measures in respect of tobacco manufacturing within your territory, which take into consideration: [the health of persons in relation to the environment?]
No
C413. Please provide a brief description of the progress made in implementing Article 18 (Protection of the environment and the health of persons) in the past two years or since submission of your last report.
C414. Have you utilized the "Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)" when developing and implementing policies in this area?
N/A
C415. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en">https://extranet.who.int/dataform/655321?token={TOKEN}&lt;=en</a>

C416. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C417. Please attach the relevant documentation.

C417[filecount]. filecount - Please attach the relevant documentation.  
0

C42. Liability Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C421[SQ001]. Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?   
Yes

C422[SQ001]. Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?   
No

C423[SQ001]. Do you have any civil liability measures that are specific to tobacco control?   
No

C424[SQ001]. Do you have any general civil liability provisions that could apply to tobacco control?   
Yes

C425[SQ001]. Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?   
No

C426[SQ001]. Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?   
Yes

C427[SQ001]. Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?   
No

C428. Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (Liability) in the past two years or since submission of your last report.  
Legislation relating to tobacco control is principally contained in the Smoke-free Environments Act 1990. Some generic legislation impinges on tobacco control, for example, the Fair Trading Act 1986 (prevents the use of misleading terms), Health and Safety Act (second-hand smoke is recognised as a hazard in the workplace), Medicines Act 1981 (recognises nicotine as a toxic substance, registers medicines including smoking cessation aids or food legislation (prevents the adding of nicotine in food). There have been several amendments to the Smoke-free Environments Act with the latest in 2011:  
<http://www.legislation.govt.nz/act/public/2011/0053/latest/DLM3418508.html> .

C429. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C4210. Please attach the relevant documentation.

C4210[filecount]. filecount - Please attach the relevant documentation.  
0

C43. Research, surveillance and exchange of information Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C431[1]. developing and/or promoting research that addresses: [determinants of tobacco consumption?]  
Yes

C431[2]. developing and/or promoting research that addresses: [consequences of tobacco consumption?]
Yes
C431[3]. developing and/or promoting research that addresses: [social and economic indicators related to tobacco consumption?]
Yes
C431[4]. developing and/or promoting research that addresses: [tobacco use among women, with special regard to pregnant women?]
Yes
C431[5]. developing and/or promoting research that addresses: [the determinants and consequences of exposure to tobacco smoke?]
Yes
C431[6]. developing and/or promoting research that addresses: [identification of effective programmes for the treatment of tobacco dependence?]
Yes
C431[7]. developing and/or promoting research that addresses: [identification of alternative livelihoods?]
No
C431[other]. developing and/or promoting research that addresses: [Other]
C432. training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?
Yes
C433[1]. a national system for epidemiological surveillance of: [patterns of tobacco consumption?]
Yes
C433[2]. a national system for epidemiological surveillance of: [determinants of tobacco consumption?]
Yes
C433[3]. a national system for epidemiological surveillance of: [consequences of tobacco consumption?]
Yes
C433[4]. a national system for epidemiological surveillance of: [social, economic and health indicators related to tobacco consumption?]
Yes
C433[5]. a national system for epidemiological surveillance of: [exposure to tobacco smoke?]
Yes
C433[other]. a national system for epidemiological surveillance of: [Other]
C434. Please list all surveys, including the year of the survey, that you have undertaken in the past.
New Tobacco Use Surveys (2006-09); New Zealand Health Surveys (1996/97, 2002/03, 2006/07 and annually 2011/12 onwards), NZ Census has included two tobacco questions on smoking in 1981, 1996, 2006, 2013; ASH Year 10 Snapshot Survey (of 14 and 15 year olds) has been conducted annually since 1999; The Health Promotion Agency conducts two yearly Youth Insights Surveys and Adult Lifestyle Surveys and runs a Continuous Monitor of smoking behaviours. See: <a href="http://www.ash.org.nz/the-evidence/we-produce/ash-year-10-snapshot-survey/2014-2/">http://www.ash.org.nz/the-evidence/we-produce/ash-year-10-snapshot-survey/2014-2/</a> and <a href="http://nzdotstat.stats.govt.nz/wbos/Index.aspx?DataSetCode=TABLECODE8273">http://nzdotstat.stats.govt.nz/wbos/Index.aspx?DataSetCode=TABLECODE8273</a> .
C435. Does your country have any plans to repeat any of the above or to undertake a new tobacco survey within three to five years of your last survey? Please provide details in the space below.
Yes. All are expected to continue. The New Zealand Health Survey is now conducted annually. A detailed tobacco module is included every few years (so far in 2012/13, 2014/15). The other surveys will continue as before - though a decision on retaining the smoking questions in the next Census (2018) is awaited.
C436[1]. regional and global exchange of publicly available national: [scientific, technical, socioeconomic, commercial and legal information?]
Yes

C436[2]. regional and global exchange of publicly available national: [information on the practices of the tobacco industry?]
No
C436[3]. regional and global exchange of publicly available national: [information on the cultivation of tobacco?]
No
C437[1]. an updated database of: [laws and regulations on tobacco control?]
Yes
C437[2]. an updated database of: [information about the enforcement of laws on tobacco control?]
Yes
C437[3]. an updated database of: [pertinent jurisprudence?]
No
C438. Please provide a brief description of the progress made in implementing Article 20 (Research, surveillance and exchange of information) in the past two years or since submission of your last report.
C439. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
C4310. Please attach the relevant documentation.
C4310[filecount]. filecount - Please attach the relevant documentation.

## D. INTERNATIONAL COOPERATION AND ASSISTANCE

D0. Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:
D1[1]. development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control? [Assistance provided]
Yes
D1[2]. development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control? [Assistance received]
No
D2[1]. provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes? [Assistance provided]
Yes
D2[2]. provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes? [Assistance received]
No
D3[1]. appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12? [Assistance provided]
Yes
D3[2]. appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12? [Assistance received]
No

D4[1]. provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes? [Assistance provided]  
Yes

D4[2]. provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes? [Assistance received]  
No

D5[1]. identification of methods for tobacco control, including comprehensive treatment of nicotine addiction? [Assistance provided]  
Yes

D5[2]. identification of methods for tobacco control, including comprehensive treatment of nicotine addiction? [Assistance received]  
No

D6[1]. promotion of research to increase the affordability of comprehensive treatment of nicotine addiction? [Assistance provided]  
No

D6[2]. promotion of research to increase the affordability of comprehensive treatment of nicotine addiction? [Assistance received]  
No

D7. Please identify the Party or Parties from which assistance was received or to which assistance was provided.  
Pacific Island countries and territories have been supported by the New Zealand government through the New Zealand Aid Programme. The most significant contribution is the 14 country Pacific NCD Initiative (2014-17). Funds and technical support will be directed through the WHO Division of Pacific Technical Support in Suva towards ensuring a 15% reduction in adult cardiovascular disease risk by 2018 and a 10% reduction in adult tobacco use by 2018. In 14 Pacific countries, this includes support to national tobacco control initiatives. In addition, New Zealand has provided support to a mobile-health intervention to reduce tobacco use in Samoa and American Samoa (2014-2016). This support will develop and evaluate an accessible, affordable and culturally relevant text message support for people who want to quit smoking.

D8. Please provide information about any assistance provided or received in the space below.  
As noted above, overseas development assistance funds for Pacific countries include funds for tobacco control. This technical support has sought to strengthen tobacco control measures, legislation, and FCTC compliance in the region.

D9. If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

D10. Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?  
No

D11. Please provide details in the space below.

## E. PRIORITIES AND COMMENTS

E1. What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?  
Progressing to the goal of New Zealand becoming an essentially smoke-free nation by 2025.  
The introduction of standardised (plain) tobacco packaging and the associated new health warnings.

E2. Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?  
N/A

E3. Please provide details in the space below.

E4. What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

E5[1]. Do you have any of the following products available on your national tobacco market? [smokeless tobacco products]  
Yes

E5[2]. Do you have any of the following products available on your national tobacco market? [water pipe tobacco]  
Yes

E7. If you have any relevant information related to questions E5 and E6, please provide details in the space below.  
Some smokeless tobacco products are sold illegally - very small volumes. Water pipe tobacco is also used in very small volumes but its use appears to be increasing. The laws governing tobacco and medicines are imperfect for regulating electronic cigarettes. Non-nicotine containing e-cigarettes can be sold legally. Nicotine e-cigarettes are sold illegally on the local market. Work is being undertaken to clarify the situation.

E8. Please provide any other relevant information not covered elsewhere that you consider important.

E9. Your suggestions for further development and revision of the reporting instrument:
