Information about the Smokeless Tobacco Webinar Series 2019

1. OBJECTIVES OF THE WEBINAR SERIES

This webinar series is aimed at raising awareness on matters related to smokeless tobacco (SLT) use and control. It further aims to promote application of all articles of the WHO Framework Convention on Tobacco Control (WHO FCTC) for prevention and control of SLT. The webinars will discuss the policy measures and approaches that could be applied by Parties and other stakeholders within their jurisdictions to scale up interventions to control SLT.

The webinar series consists of seven sessions with each webinar session comprising of two speakers providing their perspective and sharing research experiences on the given topic. The titles of individual sessions, respective speakers, the topics covered and their timings are given in the attached programme.

2. WHO ARE THE WEBINARS TARGETED AT?

Parties to the WHO FCTC, states non-Parties, representatives of governments, government agencies and non-governmental organizations, international and intergovernmental organizations, national focal points for tobacco control, tobacco control advocates, health professionals and students, scientists, and all who are interested in the implementation of the WHO FCTC, tobacco control programmes or policies.

3. HOW TO JOIN THE WEBINARS?

The webinar will be conducted through a software ZOOM.
