

SRNT University

WHO FCTC Knowledge Hub on
Surveillance Webinar
November 23, 2018

SRNT UNIVERSITY AT-A-GLANCE

- Collection of organized, curated training, scientific articles and tools and resources
- For people working in nicotine and tobacco research and related professions
- Brings together SRNT content and external content
- Launch date: February 21, 2019 (at SRNT 2019)
- Most content is free and available to non-members

SRNT-U Goals

ONLINE LEARNING PORTAL

Online learning portal around nicotine and tobacco research, accessible by a broad range of professionals.

CURATED CONTENT

A collection of educational activities, resources, and tools from multiple sources.

SRNT CONTENT

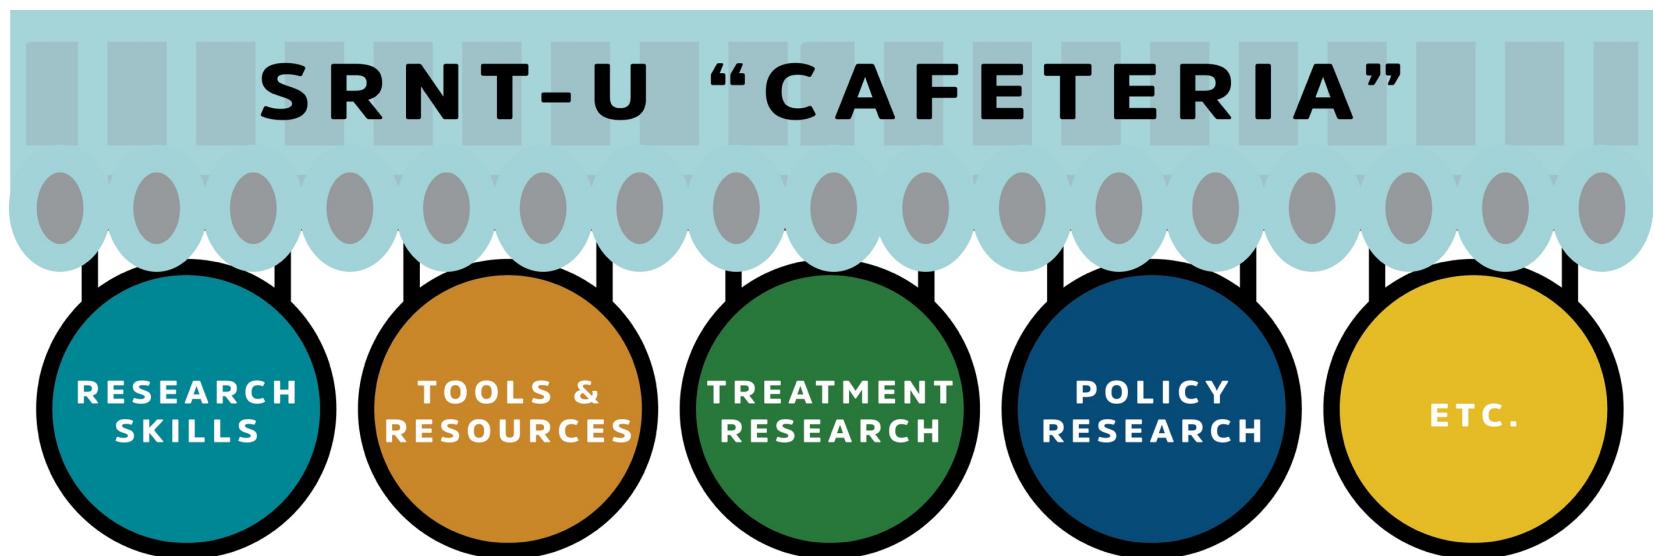

Content to address specific, unmet needs for research training and dissemination.

INTERNATIONAL FOCUS

Engage the international community in content development (140 volunteers, 20 countries)

AUDIENCE CATEGORIES

- SRNT Members & Non-Members
- Healthcare Professionals Worldwide
- Transdisciplinary Team Members
- Tobacco Treatment & Control Professionals from Lower- and Middle-Income Countries
- Policymakers
- Students

DrPH
Innovation Manager

Outi Salminen, PhD
Preclinical Research

Alicia Allen, PhD,
MPH
Clinical Research

Cristian Meghea, PhD
Public Health Research

Hua Yong, PhD
Policy Research

QUESTIONS/DISCUSSION

1. Should SRNT-U develop a Policy Research Certificate?
2. Surveillance data or tools to include?
3. Bandwidth issues?

Watch for updates:
