*District/Locality

Name of Facility

Facility Name, if not listed

*Health Facility Sector

Private Facility

*Health Facility Level

Pharmacy

In which currency are prices collected?*

USD

Local Currency

*Does the facility have cold storage?

-Please Select-

Please indicate if any patient groups receive medicines at discounted prices. Additionally, please describe what effect, if any, the latest price control measures have had on your business.

Medicines' Availability

Diabetes Module

Biguanides

Which of the following are available in the facility? (metformin)*
(check all that apply)

- Metformin 500mg cap/tab [GET PRICE]
- Metformin (other strength)
- None available

Any additional comments on this section? (metformin)

Sulfonylureas

Which of the following are available in the facility? (sulfonylureas)*
(check all that apply)

- Glibenclamide 5mg cap/tab [GET PRICE]
- Glibenclamide (other strength)
- Other sulfonylurea
- None available

Any additional comments on this section? (sulfonylureas)

Respiratory Module

Beta-2 Agonists

Which of the following are available in the facility? (salbutamol)*
(check all that apply)

- Salbutamol 100mcg/dose inhaler [GET PRICE]
- Salbutamol inhaler (other strength)
- Other bronchodilator inhaler
- None available

Any additional comments on this section? (salbutamol)

Other Bronchodilators

Which of the following are available in the facility? (xanthines)*
(check all that apply)

- Aminophylline 150mg cap/tab [GET PRICE]
- Aminophylline cap/tab (other)
- Other xanthine cap/tab
- None available

Any additional comments on this section? (xanthines)

Antiallergy

Which of the following are available in the facility? (antiallergics)*
(check all that apply)

- Dexamethasone 4mg/ml injection [GET PRICE]
- Dexamethasone injection (other strength)
- Epinephrine 1mg/ml injection
- Epinephrine injection (other strength)
- Other antiallergy medicine
- None available

Any additional comments on this section? (antiallergics)

Expectorants

Which of the following are available in the facility? (expectorants)*
(check all that apply)

- Ambroxol 6mg/ml syrup [GET PRICE]
- Ambroxol syrup/suspension (other strength)
- Other expectorant
- None available

Any additional comments on this section? (expectorants)

Corticosteroids

Which of the following are available in the facility? (corticosteroid injections)*
(check all that apply)

- Prednisolone 25mg/ml injection [GET PRICE]
- Prednisolone injection (other strength)
- Other corticosteroid injection
- None available

Any additional comments on this section? (corticosteroid injections)

Cardiovascular Module

Calcium Channel Blockers

Which of the following are available in the facility? (calcium channel blockers)*
(check all that apply)

- Amlodipine 5mg cap/tab [GET PRICE]
- Amlodipine (other strength)
- Other calcium channel blocker
- Nifedipine 20mg cap/tab [GET PRICE]
- Nifedipine (other strength)

- [ ] None available

Any additional comments on this section? (calcium channel blockers)

Betablockers

Which of the following are available in the facility? (betablockers)*
(check all that apply)

- [ ] Atenolol 50mg cap/tab **[GET PRICE]**
- [ ] Atenolol cap/tab (other strength)
- [ ] Propranolol 40mg cap/tab **[GET PRICE]**
- [ ] Propranolol cap/tab (other strength)
- [ ] Other beta blocker
- [ ] None available

Any additional comments on this section? (betablockers)

ACE Inhibitors

Which of the following are available in the facility? (ace inhibitors)*
(check all that apply)

- [ ] Enalapril 5mg cap/tab **[GET PRICE]**
- [ ] Enalapril cap/tab (other strength)
- [ ] Captopril 25mg cap/tab **[GET PRICE]**
- [ ] Captopril cap/tab (other strength)
- [ ] Other ACE inhibitor
- [ ] None available

Any additional comments on this section? (ace inhibitors)

Statins

Which of the following are available in the facility? (statins)*
(check all that apply)

- [ ] Simvastatin 20mg cap/tab **[GET PRICE]**
- [ ] Simvastatin (other strength)
- [ ] Other statin
- [ ] None available

Any additional comments on this section? (statins)

Cardiac Glycoside

Which of the following are available in the facility? (cardiac glycoside)*
(check all that apply)

- [ ] Digoxin 25mcg cap/tab **[GET PRICE]**
- [ ] Digoxin (other strength)
- [ ] None available

Any additional comments on this section? (cardiac glycoside)

Diuretics

Which of the following are available in the facility? (loop diuretics)*
(check all that apply)

- [ ] Furosemide 40mg cap/tab **[GET PRICE]**
- [ ] Furosemide cap/tab (other strength)
- [ ] Furosemide + Spironolactone combination cap/tab
- [ ] Furosemide 10mg/ml injection
- [ ] Furosemide injection (other strength)
- [ ] Other loop diuretic
- [ ] None available

Any additional comments on this section? (loop diuretics)

Which of the following are available in the facility? (thiazide diuretics)*
(check all that apply)

- [ ] Hydrochlorothiazide 25mg cap/tab **[GET PRICE]**
- [ ] Hydrochlorothiazide cap/tab (other strength)
- [ ] Other thiazide diuretic
- [ ] None available

Any additional comments on this section? (thiazide diuretics)

Gastrointestinal Disorders

Peptic Ulcer or Gastro-esophageal Reflux Disease

Which of the following are available in the facility? (proton pump inhibitors)*
(check all that apply)

- [ ] Omeprazole 20mg cap/tab **[GET PRICE]**
- [ ] Omeprazole cap/tab (other strength)
- [ ] Other proton pump inhibitor for peptic ulcer or gastro-esophageal reflux disease
- [ ] None available

Any additional comments on this section? (proton pump inhibitors)

Which of the following are available in the facility? (histamine-2 blocker)*
(check all that apply)

- [ ] Ranitidine 150mg cap/tab **[GET PRICE]**
- [ ] Ranitidine cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (histamine-2 blocker)

Antidiarrheal

Which of the following are available in the facility? (antipropulsive)*
(check all that apply)

- [ ] Loperamide 2mg cap/tab **[GET PRICE]**
- [ ] Loperamide cap/tab (other strength)
- [ ] Metoclopramide 10 mg cap/tab **[GET PRICE]**
- [ ] Metoclopramide cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (antipropulsive)

Other NCDs

Thyroid Disorders

Which of the following are available in the facility? (thyroid hormone)*
(check all that apply)

- [ ] Levothyroxine 50mcg cap/tab **[GET PRICE]**
- [ ] Levothyroxine (other strength)
- [ ] Other thyroid hormone
- [ ] None available

Any additional comments on this section? (thyroid hormone)

Medicines for the Central Nervous System Module

Antidepressants

Which of the following are available in the facility? (SSRIs)*
(check all that apply)

- [ ] Fluoxetine 20mg cap/tab **[GET PRICE]**
- [ ] Fluoxetine 20mg (other strength)
- [ ] Other SSRI antidepressant
- [ ] Other antidepressant

- [ ] None available

Any additional comments on this section? (SSRIs)

Which of the following are available in the facility? (tricyclic antidepressants)*
(check all that apply)

- [ ] Amitriptyline 25mg cap/tab **[GET PRICE]**
- [ ] Amitriptyline (other strength)
- [ ] Other tricyclic antidepressant
- [ ] None available

Any additional comments on this section? (tricyclic antidepressants)

Anticonvulsants/Antiepileptics

Which of the following productsare available in the facility? (partial seizures)*
(check all that apply)

- [ ] Carbamazepine 200mg cap/tab **[GET PRICE]**
- [ ] Carbamazepine (other strength)
- [ ] Phenobarbital 100mg cap/tab
- [ ] Phenobarbital (other strength)
- [ ] None available

Any additional comments on this section? (partial seizures)

Anxiolytics

Which of the following productsare available in the facility? (anxiolytics)*
(check all that apply)

- [ ] Diazepam 5mg cap/tab **[GET PRICE]**
- [ ] Diazepam cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (anxiolytics)

Pain and Palliative Care Module

Basic Pain Management

Which of the following are available in the facility? (basic pain)*
(check all that apply)

- [ ] Paracetamol 500mg cap/tab **[GET PRICE]**
- [ ] Paracetamol (other strength)
- [ ] Paracetamol 24mg/ml syrup/suspension **[GET PRICE]**
- [ ] Paracetamol syrup/suspension (other strength)
- [ ] None available

Any additional comments on this section? (basic pain)

NSAIDs

Which of the following are available in the facility? (nsaid)*
(check all that apply)

- [ ] Diclofenac 25mg/ml injection **[GET PRICE]**
- [ ] Diclofenac injection (other strength)
- [ ] None available

Any additional comments on this section? (nsaid)

Maternal and Child Health Module

Child Health

Which of the following are available in the facility? (ORS)*
(check all that apply)

- [ ] Oral Rehydration Salts (1 litre sachet) **[GET PRICE]**
- [ ] Oral Rehydration Salts (other size)
- [ ] None available

Any additional comments on this section? (ORS)

Which of the following are available in the facility? (zinc)*
(check all that apply)

- [ ] Zinc Sulfate 20mg cap/tab **[GET PRICE]**
- [ ] Zinc Sulfate (other strength)
- [ ] None available

Any additional comments on this section? (zinc)

Maternal Health

Which of the following are available in the facility? (phosphodiesterase inhibitors)*
(check all that apply)

- [ ] Drotaverine 40mg cap/tab **[GET PRICE]**
- [ ] Drotaverine cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (phosphodiesterase inhibitors)

Which of the following are available in the facility? (contraceptives)*
(check all that apply)

- [ ] Levonorgestrel-Ethinylestradiol 150-30mcg cap/tab **[GET PRICE]**
- [ ] Other combined oral contraceptive
- [ ] None available

Any additional comments on this section? (contraceptives)

Which of the following are available in the facility? (Other MCH)*
(check all that apply)

- [ ] Iron 100mg cap/tab **[GET PRICE]**
- [ ] Iron cap/tab (other strength)
- [ ] Folic Acid + Ferrous Sulfate 500mcg + 150mg cap/tab
- [ ] Folic acid 5mg cap/tab
- [ ] Folic acid (other strength)
- [ ] Ferrous salt (any strength or form)
- [ ] Iron + Folic Acid + Zinc cap/tab (any strength)
- [ ] None available

Any additional comments on this section? (Other MCH)

Anti-Infectives Module

Amoxicillins

Which of the following are available in the facility? (oral amoxicillin)*
(check all that apply)

- [ ] Amoxicillin 500mg cap/tab **[GET PRICE]**
- [ ] Amoxicillin cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (oral amoxicillin)

Which of the following are available in the facility? (oral coamoxiclav)*
(check all that apply)

- [ ] Amoxicillin + Clavulanic acid 500mg + 125mg cap/tab **[GET PRICE]**
- [ ] Amoxicillin + Clavulanic acid cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (oral coamoxiclav)

Which of the following are available in the facility? (coamoxiclav suspension)*
(check all that apply)

- [ ] Amoxicillin + Clavulanic acid 25mg + 6.25mg/ml suspension **[GET PRICE]**
- [ ] Co-amoxiclav suspension (other strength)
- [ ] None available

Any additional comments on this section? (coamoxiclav suspension)

Injectable Penicillin

Which of the following are available in the facility? (injectable penicillin)*
(check all that apply)

- [ ] Procaine benzylpenicillin (1G = 1MU) injection **[GET PRICE]**
- [ ] Procaine benzylpenicillin (other strength)
- [ ] Benzylpenicillin (1G = 1MU) injection **[GET PRICE]**
- [ ] Benzylpenicillin (other strength)
- [ ] Benzathine benzylpenicillin (other strength)
- [ ] None available

Any additional comments on this section? (injectable penicillin)

Cephalosporins

Which of the following are available in the facility? (cephalosporins 1st gen)*
(check all that apply)

- [ ] Cefazolin 1g/vial injection **[GET PRICE]**
- [ ] Cefazolin (other strength)
- [ ] Other 1st generation cephalosporin
- [ ] None available

Which of the following are available in the facility? (cephalosporins 3rd gen)*
(check all that apply)

- [ ] Ceftriaxone 1g/vial injection **[GET PRICE]**
- [ ] Ceftriaxone (other strength)
- [ ] Other 3rd generation cephalosporin
- [ ] None available

Any additional comments on this section? (cephalosporins)

Macrolides

Which of the following are available in the facility? (oral macrolide)*
(check all that apply)

- [ ] Azithromycin 500mg cap/tab **[GET PRICE]**
- [ ] Azithromycin (other strength)
- [ ] Other macrolide cap/tab
- [ ] None available

Any additional comments on this section? (oral macrolide)

Aminoglycoside

Which of the following are available in the facility? (aminoglycosides)*
(check all that apply)

- [ ] Gentamicin 40mg/ml injection **[GET PRICE]**
- [ ] Gentamicin injection (other strength)
- [ ] None available

Any additional comments on this section? (aminoglycosides)

Tetracyclines

Which of the following are available in the facility? (tetracycline)*
(check all that apply)

- [ ] Doxycycline 100mg cap/tab **[GET PRICE]**
- [ ] Doxycycline cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (tetracycline)

Amphenicols

Which of the following are available in the facility? (amphenicols)*
(check all that apply)

- [ ] Chloramphenicol 500mg cap/tab **[GET PRICE]**
- [ ] Chloramphenicol cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (amphenicols)

Anthelminthics

Which of the following are available in the facility? (deworming)*
(check all that apply)

- [ ] Mebendazole 100mg cap/tab **[GET PRICE]**
- [ ] Mebendazole cap/tab (other strength)
- [ ] Other anthelmintic cap/tab
- [ ] None available

Any additional comments on this section? (deworming)

Antifungals

Which of the following are available in the facility? (antifungals)*
(check all that apply)

- [ ] Fluconazole 50mg cap/tab **[GET PRICE]**
- [ ] Fluconazole cap/tab (other strength)
- [ ] Clotrimazole 1% ointment **[GET PRICE]**
- [ ] Clotrimazole cream (other strength)
- [ ] Imidazole derivative
- [ ] Other antifungal
- [ ] None available

Any additional comments on this section? (antifungals)

Which of the following are available in the facility? (antiamebics)*
(check all that apply)

- [ ] Metronidazole 250mg cap/tab **[GET PRICE]**
- [ ] Metronidazole cap/tab (other strength)
- [ ] Other antiamebic or antitrichomonal
- [ ] None available

Any additional comments on this section? (antiamebics)

Quinolones

Which of the following are available in the facility? (fluoroquinolone cap/tabs)*
(check all that apply)

- [ ] Ciprofloxacin 500mg cap/tab **[GET PRICE]**
- [ ] Ciprofloxacin cap/tab (other strength)
- [ ] None available

Which of the following are available in the facility? (synthetic quinolone cap/tabs)*
(check all that apply)

- [ ] Nalidixic acid 500mg cap/tab **[GET PRICE]**
- [ ] Nalidixic acid cap/tab (other strength)
- [ ] Other 1st gen synthetic quinolone
- [ ] None available

Any additional comments on this section? (synthetic quinolone cap/tabs)

Nucleic Acid Inhibitors

Which of the following are available in the facility? (antifolates)*

(check all that apply)

- [ ] Trimethoprim/sulfamethoxazole 80+400 mg cap/tab **[GET PRICE]**
- [ ] Trimethoprim/sulfamethoxazole cap/tab (other strength)
- [ ] Trimethoprim/sulfamethoxazole 8+40mg/ml suspension **[GET PRICE]**
- [ ] Trimethoprim/sulfamethoxazole susp (other strength)
- [ ] None available

Any additional comments on this section? (antifolates)

Antivirals

Which of the following are available in the facility? (guanosine analogs)*
(check all that apply)

- [ ] Aciclovir 200mg cap/tab **[GET PRICE]**
- [ ] Aciclovir cap/tab (other strength)
- [ ] None available

Any additional comments on this section? (guanosine analogs)
