

GNPR 2009-2010: School-based nutrition - Provision of safe water - School age children (SAC)

Programme: GNPR 2009-2010: School-based nutrition

Programme Data

Programme Description

These programmes and actions were reported by countries for the WHO Global Nutrition Policy Review 2009-2010, Module 4 on School-based nutrition programmes. Please note that for simplicity, all interventions in a thematic module have been combined under the same programme for GINA, while they may not be implemented as a package and may have different partners. These data are currently being updated and completed through the GINA verification process. If you think you can help update and complete any of these data, please sign up to GINA and edit.

Program type

Community/sub-national
