Action data

Start date	January 1991
Country(ies):	Zambia
Topic:	School feeding programmes
Target group:	School age children (SAC)
Delivery:	Kindergarten/school
Implementation details :	All children in the targeted schools are eligible to receive school meals or participate in the school feeding programme. School meals are free for all children. Menus are decided according to maximum levels of specific nutrients (e.g. total sugars, total fat, saturated fat, trans-fat, salt/sodium), selecting menus based on lists of foods and beverages. Food is procured domestically.

Typical problems **Solutions**
