**Country(ies):**[Seychelles](#)**Date:**

1992

**Published year:**

March 1992

**Adopted year:**

1992

**Type of policy:**[Legislation relevant to nutrition](#)

## Food Act (Breast-milk substitute) Regulations (revised edition 1994)

### Legislation Details

These Regulations contain some rules relative to the placing on the market of infant formula, breast-milk substitutes or similar products. The Regulations prohibit any advertising of infant formula or similar products and lay down rules relative to the labelling of such products. Donation or sale at concessional prices to approved institutions of infant formula or similar products is allowed.
