Standard letter A - Invitation to apply for prequalification

Dear Sir/Madam,

Expression of interest for prequalification of a product or device under the IMD-PQS system.

WHO and UNICEF maintain a database of products and medical devices suitable for use in the worldwide Expanded Programme on Immunization (EPI). This database can be found at <web address>.

We are writing to you concerning <product description> which we believe may comply with the requirements of our performance specification <reference and web address>. If you are interested in offering this product for evaluation under the terms of the IMD-PQS system, please confirm this in writing and we will send you a prequalification information pack.

Yours faithfully,

Master
