Standard letter E - Rejection

Dear Sir/Madam,

Application for prequalification of a product or device under the IMD-PQS system.

Your reference:

We refer to your application dated <dd.mm.yy> with regard to <product/device description>.

We have now received the results of the product/device evaluation and regret to inform you that we are unable to recommend the product/device for inclusion on the database of prequalified products, for the following reasons:

- <briefly list principle reasons>

We thank you for your application and enclose a copy of the evaluation report. You are free to resubmit a new or modified product/device at any time in the future provided it complies fully with the requirements set out in the PQS performance specification and PQS verification protocol current at the time of resubmission.

We regret that we are unable to enter into any further correspondence on this matter.

Yours faithfully,

MD
