

# Strengthening national capacity for quantification of reproductive health products

Stephen Mawa

Team Lead, Demand & Supply Planning

## A vehicle for achieving the 3 Interconnected Outcomes of the UNFPA Strategic Plan 2022 - 2025

## Goal

Achieved universal access to sexual and reproductive health, realized reproductive rights, and accelerated progress on the implementation of the Programme of Action of the International Conference on Population and Development.

#### Outcome

1

By 2025, the reduction in the unmet need for family planning has accelerated.

#### Outcome

2

By 2025, the reduction of preventable maternal deaths has accelerated.

### Outcome

3

By 2025, the reduction in gender-based violence and harmful practices has accelerated.

## Programmes need Products

#### **Everyone counts**

Census supplies

#### Contraceptives

Oral Injectables Implants IUDs – hormonal & non-hormonal Permanent – Vasectomy k BTL kits Condoms

#### Maternal health - Pharmaceuticals

Oxytocin, carbetocin, magnesium sulphate, calcium gluconate, misoprostol, combipack, antibiotics

#### Medical Equipment

Midwifery supplies, ambulances, mobile hospitals, medical furniture, devices and sundries

#### **SRH Kits**

Inter-Agency Reproductive Health kits Dignity kits Fistula repair kits Menstrual hygiene supplies

# Programmes & Products need Supply Chain Management

Systems strengthening

Demand & supply planning

**Product Quality Assurance** 

Strategic sourcing

Procurement

Logistics & shipping

Storage & distribution

Inventory control

Last mile assurance

# Why quantification matters

**Identify** and prioritize RH products needed for programmes

**Support** in estimating commodity procurement, storage, and distribution costs

Estimate commodity needs to meet programme goals and assess stock status of the in-country supply pipeline to detect and correct supply imbalances

Provide data on specific commodity requirements and costs for annual budget allocations

Negotiate production schedules with manufacturers and favorable delivery lead times with freight forwarders

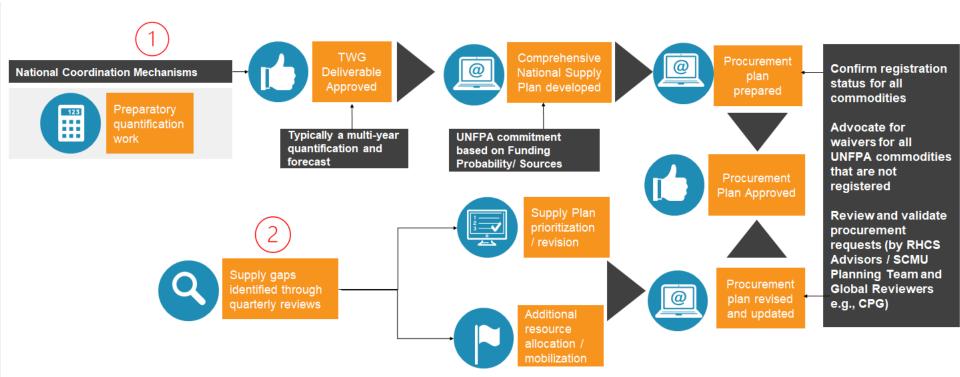

Inform donors about funding requirements and advocate for resource mobilization for commodity procurement

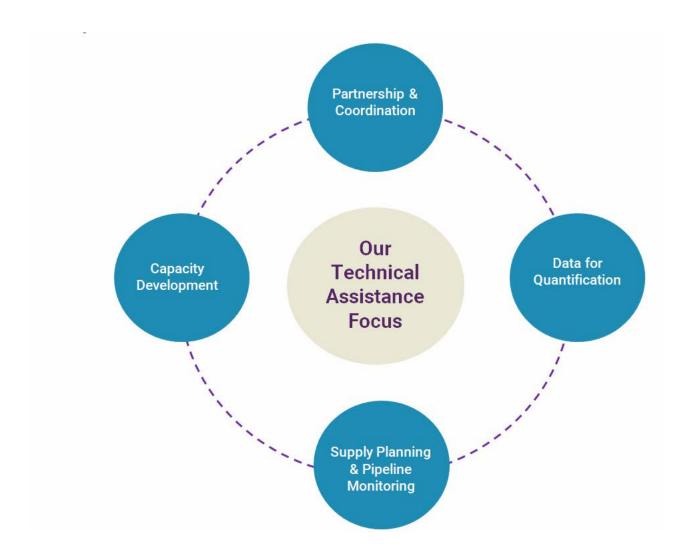

# **Our Approach**

# Thank you

loint Meeting 27 November – 1 December 2023
