

Tsara Soft Declaration of Labeling (DOL)

Label printed on bag:

Product Identification

Product name: Tsara Soft

Product type: Long lasting insecticidal net/LLIN

Formulation type: LN

Manufactured by: PPP Hollandi DMCC

Address: BA1356 DMCC Business Centre Level No. 1 Jewellery & Gemplex 3 Dubai, UAE

Email: info@tsaranets.com

Website: www.tsaranets.com

Batch number:

The format for a batch number structure of Tsara Soft is TSPPP001, where the format is constituted with the following parts TN (product name Tsara Soft), PPP or SP or RM (Manufacturing site name), 001 (batch number)

Serial of batch number is based on 1 order from a client. Batch numbers are issued sequentially, no other information in a batch number than it is the x-th in the series. Batches contain a max for 250,000. nets. If an order is greater than 250.000 then a batch number series is extended using letters. E.g., 1 order of 1 million nets may contain batch numbers TSPPP001A, TSPPP001B, TSPPP001C & TSPPP001D

Country of Origin: China/ Pakistan / Nigeria

Product versions: 75 denier /100 denier /150 denier

Shapes and sizes in cm:

Rectangular

200 (L) x 180 (W) x 200 (H)

190 (L) x 180 (W) x 180 (H)

190 (L) x 180 (W) x 170 (H)

190 (L) x 180 (W) x 150 (H)

190 (L) x 180 (W) x 160 (H)

180 (L) x 160 (W) x 170 (H)

180 (L) x 160 (W) x 150 (H)

180 (L) x 130 (W) x 150 (H)

Conical

1250 (circumference) x 250 (H) x 65 (ring cm)

1050 (circumference) x 220 (H) x 56 (ring cm)

850 (circumference) x 220(H) x 56 (ring cm)

Mesh size:

75 & 100 denier: 24 holes per cm² which is equal to 156 holes/inch² 150 denier: 14 holes per cm² which is equal to 90 holes/inch²

Package size/weight: 30g/m² for 75D; 40g/m² for 100D; 42g/m² for 150D

Material: 100% polyester, multifilament

Flammability EN 1102: Non-ignitable

Bursting strength: min 250, 350 or 420 kPa, respectively, for fabric made from 75, 100 or 150 denier yarn

Date of release: mmyyyy

Expiry date¹: mmyyyy (5 years from the date of manufacturing)

Shelf life ¹: 2 years

Product Use Life¹: 3 Years

Ingredient Statement

Active Ingredient: Deltamethrin,

80 mg/m² which is equal to 2.7 g/kg \pm 25% (75 denier)

80 mg/m² which is equal to 2.0 g/kg \pm 25% (100 denier)

80 mg/m² which is equal to 2.0 g/kg \pm 25% (150 denier)

CAS#: 52918-63-5²

Active Ingredient is a pyrethroid pesticide, sodium channel modulators group with nerve action (works by affecting/paralyzing the insect nervous system), IRAC Group 3A².

Safety

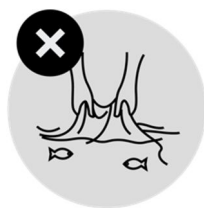

Precautions of use and storage: Read label before use. Use only as a bed net. Keep away from any direct sunlight. Keep away from sources of ignition.

Disposal procedures: Dispose of according to country regulations.

Warning messages: Do not re-use bag.

First aid: If any irritation occurs, rinse with water. In case of eye contact, rinse immediately with plenty of water.

Caution cartoons (dos and don'ts):

Environmental protections measures: Harmful to marine life – do not dispose of in lakes, rivers, ponds or streams. Do not burn the bag in an open fire.

Directions for Use

Use: Remove net from the bag and unfold. Ventilate for up to 24 hours. Suspend the net over the bed. Carefully tuck the net under the mattress or mat before going to sleep.

Washing and Drying: Wash gently in a bucket; do not use bleach; dry in the shade.

Care instructions: Standard pictograms for washing: five pictograms according to ISO 3758, indicating: gentle wash at no more than 30 °C, no bleaching, no use of a drying machine, no ironing and no dry cleaning, dry in shade.

Repair: If a hole appears, gently repair it with a thread and needle or close the hole by tying a knot in the exposed fibers.
