## **GENERAL INFORMATION**

### **Security in Denmark**

Generally Denmark is a very safe place and non-violent crime is currently the largest security threat in Denmark. This threat is somewhat mitigated by an effective police force, but visitors are encouraged to exercise caution in train and bus terminals due to the activities of “pick pockets” and not to leave baggage and belongings unattended for any reason.

### **Currency/Banks**

The Danish currency is the krone (crown) which is made up of 100 øre.

Denmark does not participate in the single European currency (EURO), but major shops will accept payment in EURO.

The banks are open from 10:00 to 16:00 Monday to Friday, except Thursday where the banks close at 18:00. Outside opening hours, cash can be obtained from the numerous cash dispensers. Most banks have these machines outside in the street and all major credit cards are accepted.

A cash dispenser is also available on the ground floor in UN City.
