

# WHO Immunization Devices website

## Key links for partners

As of June 2025, the new WHO Immunization Devices prequalification website will go live:

<https://extranet.who.int/prequal/immunization-devices>

The legacy “apps” website will be deactivated and a redirect will be put in place. **Partners are requested to update published links to WHO IMD on their websites and external communications.** The following list covers key links.
