3 September 2021

Dear Mr. Patty,

**WHO Prequalification Team – Vector Control Product Assessment (PQT-VCP)  
Post-Prequalification Change (PPQC)  
PQ Reference Number: 008-006  
Application number: PQC-VCP-2021-0087**

Thank you for submitting your company's Post-Prequalification Change (PPQC) application on 26 August 2021 for the following product:

Fludora Fusion – 008-006

The following proposed changes have been found acceptable:

1. Inclusion of the new proposed packaging of the product Fludora Fusion as a Wettable Powder (WP) in HDPE bottles containing 80 or 100 g of product.

The updated Declaration of Labelling, dated 27 August 2021, submitted in conjunction with this proposed change is acceptable and will be included on the prequalification website product page for this product.

Yours sincerely,

Marion Law  
Team Lead, Vector Control Product Assessment  
Prequalification Team  
Regulation and Prequalification Department
