Dubai, Emirates Arabes Unis

11 September 2018

Dear Mr Sarwar,

**WHO Prequalification Team – Vector Control**  
**Transfer of Product from Tana Netting FZ-LLC to NRS Moon Netting FZE**  
**Product number: 28-001**

Thank you for your request to transfer ownership of the prequalified product DawaPlus 4.0 LLIN (017-003) from Tana Netting FZ-LLC to NRS Moon Netting FZE.

PQT-VC acknowledges the change of ownership. A new prequalification listing will be created for Tsara Boost (PQT-VC Reference: 028-001) and the DawaPlus 4.0 prequalification listing will be deleted.

As requested, this change will be reflected in the next update of the applicable WHO specifications.

Please note that the submission of the Longitudinal Trials (Phase III) is still required to maintain the validity of the prequalification decision.

For further information regarding the submitted dossier of this product and in the case of questions arising in relation to the application process, please use the email address - [pqvectorcontrol@who.int](mailto:pqvectorcontrol@who.int) - ensuring that any such email mentions the corresponding product name and reference number.

Yours sincerely,

Marion Law  
Group Lead, Vector Control Products  
Prequalification Team
