

Recommendation of Mpox vaccine MVA-BN brand name JYNNEOS for UN supply

Although EMA is the Regulatory Agency of reference for Imvanex vaccine, the vaccine is also approved by the USFDA under the name JYNNEOS with storage conditions at 2-8 °C for a total of 4 weeks. Countries receiving JYNNEOS vaccine are encouraged to refer to the labeling approved by EMA and WHO PQ and authorize/accept the storage time at 2 months (8 weeks) to facilitate deployment and reduce wastages.
