

STEPS FOR PREQUALIFICATION

I BACKGROUND INFORMATION ON THE PROCEDURE

1. Submission of the dossier

The company Janssen Cilag International N.V. submitted in 2012 an application for PREZISTA 150 mg film-coated tablets¹ (HA530) to be assessed with the aim of including PREZISTA 150 mg film-coated tablets in the list of prequalified medicinal products for the treatment of HIV/AIDS.

PREZISTA 150 mg film-coated tablets was assessed according to the ‘Procedure for Assessing the Acceptability in Principle, of Pharmaceutical Products for Purchase by United Nations Agencies’ by the team of WHO assessors. The assessors are senior experts, mainly from national authorities, invited by WHO to participate in the prequalification assessment process.

Based on the data submitted the team of assessors advised that PREZISTA 150 mg film-coated tablets is included in the list of prequalified medicinal products. PREZISTA 150 mg film-coated tablets was listed on 12 September 2012.

PREZISTA 150 mg film-coated tablets ‘s conformance to the requirements of the current SRA guideline was re-evaluated by the team of WHO assessors.

2. Steps taken in the re-evaluation of the product

February 2022	WHO letter of request for requalification was sent to the applicant.
April 2022	The application letter was received.
September 2022	The assessment team reviewed the submitted data and further information was requested.
October 2022	The applicant’s response letter was received.
November 2022	The submitted data were reviewed and found to comply with the relevant WHO requirements.
24 November 2022	Requirements of requalification were met. PREZISTA 150 mg film-coated tablets remained on the list of prequalified medicinal products.
