

Steps before prequalification

I. BACKGROUND INFORMATION ON THE PROCEDURE

1. Submission of the dossier

The company Micro Labs Limited submitted in 2006 an application for [TB173 trade name]* (TB173) to be assessed with the aim of including [TB173 trade name] in the list of prequalified medicinal products for the treatment of tuberculosis.

[TB173 trade name] was assessed according to the '*Procedure for Assessing the Acceptability, in Principle, of Pharmaceutical Products for Purchase by United Nations Agencies*' by the team of WHO assessors. The assessors are senior experts, mainly from national authorities, invited by WHO to participate in the prequalification assessment process.

2. Steps taken in the evaluation of the product

July 2006	During the meeting of the assessment team, the safety and efficacy data were reviewed and further information was requested.
May 2007	During the meeting of the assessment team, the quality data were reviewed and further information was requested.
