## BACKGROUND

The Government of Cabo Verde and the World Health Organization Regional Office for Africa will jointly host The Second WHO Africa Health Forum under the theme:

***Achieving Universal Health Coverage and Health Security in Africa: The Africa we want to see***

The Forum is a unique opportunity to strengthen collaboration between WHO and its stakeholders on Africa's health agenda.

Strategic partnerships, effective engagement and coordinated joint action will ultimately result in effectively addressing the urgent and ever changing health needs of people living on the African continent.

The WHO Africa Health Forum Organizing team would like to take this opportunity to call on Partners and Member States to please inform us via email on [africahealthforum@who.int](mailto:africahealthforum@who.int) on their progress made regarding the Call-to-Action from The First WHO Africa Health Forum.
